Study Guide for Reading the Bible the Law Thomas Stanley Jr., 2011-09-07 Many people don't take the Bible off the shelf and open it up and read it because they say they don't understand what it says. When you study the Bible with this book, even if you haven't ever read or studied the Word of God, before it will help you get a little basic knowledge in the Word of God. I wrote this Study Guide for people who have just got saved or for young people. When anyone uses the Expositors Study Bible along with this study, they will find some of the answers are in the commentary part. Today there are many study guides out there that provide some help for you, but this Study Guide breaks down every chapter in the first five books of the Bible. I will give you a sample in this Study Guide. It is not just called the Law, but also the Tora and the Pentateuch. So I hope you find this study to help you learn the first five books of the Bible and maybe you can use it to teach others who want to learn more about the Bible.
