Guidelines For Setting Up And Running A Urantia Book:

The Urantia Book Urantia Foundation, 2008-06-01 Written in the form of a revelation from divine beings the classic guide to expanding consciousness presents texts discussing God the universe angels and other beings the history of the world the development of civilization personal spiritual growth and the life and teachings of Jesus [The Urantia Book](#) , **Urantia the Earth-The Origin of It All** Nicholas P. Snoek, 2011-09-14 In 1955 the Urantia Book appeared all in 2 100 pages It is a heavy read that tells us how we came to be what we may become and enough about astronomy to help us understand what makes that possible It has sold 3 4 million copies in many languages and would have sold many more if it were simpler to read The purpose of this book Urantia the Earth The Origin of It All is to help bring that about to make it more negotiable more user friendly This is not a dumbing down exercise this book is a reading aid challenging enough in itself **The British Study Edition of the Urantia Papers Book [A4 PDF]** , **New Age Grifter** Joseph L. Flatley, 2021-12-21 Gabriel of Urantia is the leader of a UFO religion based in the desert of southern Arizona He has spent the last three decades weaving together his belief system a tapestry of Eastern spirituality Born Again Christianity and New Age doggerel In a compound near the Mexican border his disciples tend the garden take classes and serve their guru while they wait for the end of the world Joseph L Flatley is a journalist who has spent years investigating Gabriel and his cult the Global Community Communications Alliance The result is New Age Grifter The True Story of Gabriel of Urantia and his Cosmic Family More than just another true crime book it places Gabriel s religious community in the broader context of contemporary American belief **Forthcoming Books** Rose Army, 1995-02 [The Inspiration of God](#) Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I

define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous loss As an aside the loss is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical loss when just one person does not bless the world with their knowledge wisdom and understanding

Consider What the Angels Say George DeVangelos, 2016-08-31 Our world now and throughout history has had conflicting accounts of the nature of God and man's relationship to this cosmic deity These conflicts have wreaked havoc within the societies of humanity to dangerous levels Mankind has relied upon his sacred and canonized scriptures to provide doctrinal absolutes for his religions but these absolutes differ and therefore cannot possibly all be correct at least in specific contexts However there exist a very mysterious book circulating worldwide that does have specific detailed and consistent answers to all of our questions The origin of this book is steeped in mystery and no human author has claimed ownership to its teachings which cover 2097 pages of intensive reading and exhaustive information This book is known as the Urantia Book and has been placed in the public domain The Urantia Book takes us from the conceptual locations within our segregated religious heritage and correctively recalibrates our various belief systems which have been unavoidably limited and distorted by our world views throughout human history After its conceptual enhancements and adjustments the Urantia Book enlarges such informational details into an elevation of more exact universal levels of perception as an advancement of cosmic truth Consider What the Angels Say takes this expansive and intricately complicated book and presents a timesaving presentation of its teachings and gently correlates it with Christian doctrines and other religions as well as human philosophy and knowledge In this book the following questions will be answered What exactly is God and how does this phenomenon relate to infinite reality the time and space cosmos other spiritual beings and our world Exactly what is the Godhead Trinity and why is it a necessary foundation for the existence of universal reality What are angels and spiritual principalities What are their levels and types and how do they interface and interact between supernatural and human situations How does the historical Jesus Christ fit into the spiritual dimensions of reality How is he related to the one eternal God and how is Jesus an integral part of our soul salvation How was man physically created and what accounts for the variances in human biological races and how does this correlate with the theory of evolution What is the nature of the human soul and how is it translated

into the eternal spiritual realities and how does it exist beyond death and what is its destiny How did mankind come to develop and organize his cultures and what part did supernatural spiritual beings play in the formulations of man s religious doctrines Why has there been so much tragedy hardship war disease and social discord throughout our history What is the nature of sin and why does evil even exist Something is not right what went wrong In all of the versions of religious theologies and doctrines worldwide no one book explains the details of these universal mysteries as completely and systematically as the Urantia Book it is truly a gift from the angels Consider What the Angels Say is a concentrated effort forged from the heartfelt love and concern for humanity to introduce this majestic angelic book to all who are able to receive and benefit from its supernatural information **Words on Cassette** ,1997 *Jerusalem Diary: Searching for the Tomb and House of Jesus* Joanna Kujawa,2012-08-13 Based on a true story Jerusalem Diary Searching for the Tomb and House of Jesus is an adventurous journey of intrigue and discovery in the Holy Land After finishing her PhD Joanna joins two Australian men who claim to discover new sites that could be Jesus home in Nazareth and his tomb in Jerusalem As they travel through Israel Joanna challenges conventional ideas about the life of Jesus Relying on Gnostic Gospels Joanna deconstructs the dogmatic images of suffering Christ and creates an alternative picture of Yeshua Jesus as a young rebellious inspiring teacher Recent Reviews This engaging book has everything the passionate thinking person desires intensity intrigue controversy Thoroughly enjoyable and thought provoking A book for all seekers Mark Manolopoulos adjunct research associate Monash University Centre for Studies in Religion and Theology and author of If Creation Is a Gift In Jerusalem Diary Joanna affectionately traces the life of the human side of Jesus She beautifully weaves her own spiritual quest for truth in this well researched deeply passionate journey accounting for typical historical gaps in the life and teachings of the Great Soul The outcome is a refreshing and unusual tale in which Joanna elegantly contrasts and reconciles the Christ on the Cross of the Church with Yeshua the revered realised Master of the East A must read for every sincere seeker of the Self Karthyeni Purushothaman lecturer in business management Monash University **Encyclopedia of American Religions** J. Gordon Melton,2003 This encyclopedia revised and expanded contains over 2600 descriptive entries on the religious and spiritual groups of the United States and Canada *The Encyclopedia of American Religions* J. Gordon Melton,1989 A compilation of creeds confessions statements of faith and summaries of doctrine of religious and spiritual groups in the United States and Canada *The Return of the Rebel Angels* Timothy Wyllie,2011-08-23 Furthers the revelations of The Urantia Book providing a beautiful vision of our coming return to the Multiverse Offers angelic reassurance that Armageddon has been canceled and that the coming transition will be gentle and the future positive Explains Lucifer s angelic rebellion its impact on the past 200 000 years and the transformation of consciousness on the horizon as the fallen angels return Shares the author s spiritual wisdom gained through extensive travels and encounters with angels ETs and other enlightened beings As recorded in The Urantia Book two hundred millennia ago 37 planets

including our own were quarantined from the rest of the Multiverse to quell the spread of the Lucifer rebellion within the angelic hierarchy Now after eons of isolation the fallen angels have been forgiven and Earth s connection with the Multiverse is being restored initiating a massive transformation of consciousness as we reconnect with angelic guides extraterrestrial beings and our spiritual heritage as sacred vessels for God s presence Providing an update to The Urantia Book through angelic transmissions he has received and remarkable spirits he has met Timothy Wyllie investigates the underlying motives of the angelic rebellion and the impact it has had on our planet for the past 200 000 years Offering a profoundly optimistic vision of the future and reassurance that the coming spiritual transition will be gentle Timothy Wyllie describes his encounters with angels ETs and other enlightened beings around the world including how he made contact with his own guardian angels met the man who may have been Grand Master of the Prieure de Zion fell in love with a beautiful Cathar reincarnate in Provence and officiated at the 1981 Conference in Spirit inside the Great Pyramid of Giza He explores different planetary cosmologies authentic extraterrestrial intelligence entheogenic revelations and the spiritual implications of the Holographic Paradigm weaving together a coherent and provocative understanding of the current state of our planet within the larger context of a benevolent and caring Multiverse Books Out Loud ,2004 **Factsheet Five** ,1989
