

Using i-Ready Reading Difficulty Indicator (iRDI) Cut Scores

i-Ready Diagnostic is an adaptive assessment specifically designed to identify student strengths and areas of need. Data from the i-Ready Diagnostic for Reading can be used with iRDI cut scores to determine which students in Grades K–8 exhibit a reading difficulty for a variety of reasons. Typically, determining that a student exhibits a reading difficulty based on iRDI cut scores indicates that further investigation is warranted to understand possible underlying causes for the difficulty. The iRDI alone does not determine whether reading difficulties have a developmental or neurobiological basis, or are due to other factors. These scores should be used starting with the 2020–2021 school year; for scores for earlier years, please contact your i-Ready Account team.

iRDI Cut Scores

Most districts and schools are interested in understanding which students may be struggling as readers. To do so, Curriculum Associates has identified specific i-Ready Diagnostic for Reading scores for each testing window and grade that may be considered indicators of possible reading difficulty that could require further investigation (see Table 1).

Table 1: iRDI Cut Scores

Students below these cut scores may have reading difficulties that require further investigation.

Grade	i-Ready Diagnostic, Fall Cut	i-Ready Diagnostic, Winter Cut	i-Ready Diagnostic, Spring Cut
K	295	320	348
1	347	374	401
2	419	441	463
3	474	491	507
4	505	508	519
5	542	552	562
6	566	573	580
7	583	589	595
8	594	600	606

If interested in gauging the distribution of students who would fall above and below these cut scores for each grade, use the percentile ranking corresponding to each cut score, based on i-Ready's national norms (see Table 2).

Table 2: Percentile Corresponding to Each iRDI Cut Score

Enjoying the Beat of Appearance: An Emotional Symphony within **Idaho Indicator Cut Scores**

In a global used by screens and the ceaseless chatter of immediate conversation, the melodic elegance and mental symphony developed by the written term usually fade into the back ground, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Idaho Indicator Cut Scores** a stunning fictional treasure brimming with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this fascinating masterpiece conducts visitors on a psychological journey, well unraveling the concealed tunes and profound impact resonating within each carefully crafted phrase. Within the depths with this touching evaluation, we will discover the book is main harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
