How much does it really cost?

This is dependent upon the things which include your age, your health status, the way you live and the location of your policy, and there is no one-size-fits-all answer for a policy of any amount.

The most important thing to consider when you get things like a policy that lets in your own work is to not over-insure. Instead, taking out a policy that lets in your own work is a good way to make sure you are not over-insured and that you are not over-paying for insurance.
