Publication Strategies in Intellectual Property Matters

December 2019

Issue No. 109

These marking guidelines are prepared for use by examiners and legal assistants, all of whom are required to attend a trademarkization meeting to ensure that the guidelines are consistently interpreted and applied in the marking of trademark rights.

This EIB will not author any objections or correspondence about any marking guidelines. It is acknowledged that there may be different views about some matters of emphasis or detail in the guidelines. It is also recognized that, without the benefit of attendance at a trademarkization meeting, there may be different interpretations of the application of the marking guidelines.
