MEMORANDUM

Time: 2 hours

100 marks

The marking memorandum is a working document prepared for use by examiners and sub-examiners, all of whom are required to attend a standardisation meeting to ensure that the marking memorandum is consistently interpreted and applied in the marking of candidates' scripts.

The IEB will not enter into any discussions or correspondence about any marking memorandum. It is acknowledged that there may be different views about some matters of emphasis or detail of a marking memorandum. It is also recognised that, without the benefit of attendance at a standardisation meeting, there may be different interpretations of the application of a marking memorandum.
