Journey's end: Love and friendship. The burning bush. The new dawn Romain Rolland,1913 **No More Heroes** Lydia R. Cooper,2011-05-03 Critics often trace the prevailing mood of despair and purported nihilism in the works of Cormac McCarthy to the striking absence of interior thought in his seemingly amoral characters In No More Heroes however Lydia Cooper reveals that though McCarthy limits inner revelations he never eliminates them entirely In certain crucial cases he endows his characters with ethical decisions and attitudes revealing a strain of heroism exists in his otherwise violent and apocalyptic world Cooper evaluates all of McCarthy s work to date carefully exploring the range of his narrative techniques The writer s overwhelmingly distant omniscient third person narrative rarely shifts to a more limited voice When it does deviate however revelations of his characters consciousness unmistakably exhibit moral awareness and ethical behavior The quiet internal struggles of moral men such as John Grady Cole in the Border Trilogy and the father in The Road demonstrate an imperfect but very human heroism Even when the writing moves into the minds of immoral characters McCarthy draws attention to the characters humanity forcing the perceptive reader to identify with even the most despicable representatives of the human race Cooper shows that this rare yet powerful recognition of commonality and the internal yearnings for community and a commitment to justice or compassion undeniably exist in McCarthy s work No More Heroes directly addresses the essential question about McCarthy s brutal and morally ambiguous universe and reveals poignant new answers

The Enemies of Paul: Demons, Satan, Betrayers, and Apostles Roger S. Busse, 2018-08-23 Paul's conflict with viscous enemies human and otherwise led him to employ efficacious powers charismata charismatic powers and controversial and sometimes illegal practices that are only coherent when placed in context of the first century Hellenistic Roman world These included soul and spirit transportation possession and exorcisms special techniques to repel demonic attack as well as what was considered the darkest of black magic in the ancient world the casting of death curses which called on Satan to infect harm and even kill his enemies All of these can be recovered in striking detail using risk analysis of his undisputed writings and comparing them with contemporary sources papyri and documents independent of the New Testament The results demonstrate that Paul's letters are so much more than simply intellectual and rhetorical correspondences they are infused with dangerous mystical and charismatic powers feared in an ancient world that was saturated with prevalent active dark forces and multi layered human and supernatural conflicts of angels and demons at war of charismata and anathemata deadly curses and Paul's expectation of the hemera kuriou Day of the Lord that would defeat Satan and the curse of death via pistis faith in the efficacious euangelion gospel of agape love
