

**In celebration
of its 40th
Anniversary,
Skamper
is proud to
introduce
two great
new models
for 1999.**

There have never been Skampers like these: the Vision, a mid-priced trailer with amenities found only in high-end campers, and the Sport, an economical trailer that refuses to sacrifice quality. Both are built with the same superior Skamper craftsmanship and high value that have made the Skamper name so enduring. Nine exciting new floorplans are packed with features and options not found in ordinary tent campers. And Skamper quality is second to none, backed by Thor Industries, the second largest builder of RVs in North America. Thor's strong financial condition and years of uninterrupted growth are your assurance that we will be here to serve you for years to come. We think this extra "peace of mind" is important when you're making your RV investment.

Who said turning forty is a bad thing?
