Resources in Education, 1993

Participation by 16-19 year olds in education and training Great Britain: Parliament: House of Commons: Education Committee, 2011-07-19 The Education Committee accepts that changes to student support needed to be made but says that the delay in deciding on allocations and the guiding principles for distribution should not have been allowed to happen The report states that the Government should have done more to acknowledge the Educational Maintenance Allowance s EMA combined impact on participation attainment and retention before it decided how to restructure financial support The bursary scheme which is to replace the EMA will inevitably lead to inconsistencies which could distort young people s choices of where to study It is not persuaded that bursaries administered by schools and colleges will necessarily be fairer or more discriminating than a slimmed down more targeted entitlement such as the EMA The report also highlights the difficulty of transferring data between schools and colleges and encourages the Department for Education to do more to ensure that information about pupils needs can move easily between educational institutions The Committee supports the Government s focus on Apprenticeships but urges it to protect quality at the same time as increasing numbers participating It also urges the Department for Education to fund the National Careers Service to provide face to face careers advice for young people

A History of Harrow School, 1324-1991 Christopher Tyerman, 2000 Harrow School rose from being one of scores of local grammar schools founded in the sixteenth and seventeenth centuries to become the second most famous school in the English speaking world Still shorthand for social exclusivity its development supplies insights into British educational cultural and political history as well as providing evidence for the study of public schools in general one of Britain s most idiosyncratic yet successful social inventions Avoiding polemic or apologia this new history of Harrow the first for over half a century and the first to be based on unfettered access to the school and governors archives investigates the school s governors masters pupils finances social position and curriculum within the context of shifting political cultural and educational circumstances It is a contribution to the social history of Britain as well as a critical study of a famous school Unusually for school histories this book supported by a full academic apparatus of source references frankly confronts the school s failings as well as its successes its financial educational and sexual scandals as openly as its well publicized eminence as the school of Byron Churchill and six other British prime ministers and Nehru
