Eric Ambler A Literary Biography:

Eric Ambler Peter Elfed Lewis,2014 *Here Lies* Eric Ambler,2023-10-03 In his Edgar Award winning autobiography the father of the modern crime thriller reveals the eventful life that inspired his classic works CrimeReads Eric Ambler's *Here Lies* invites readers inside the mind of one of the twentieth century's greatest thriller writers In this work the famously recalcitrant author peels back the layers of experience that affected his life with the same skill he uses to unfold the plots of his novels Ambler candidly describes his South London childhood his brief engineering career which he gave up to work in theater and his time as an advertising copywriter He details the publication of his revolutionary spy novels in the 1930s and 40s including such early classics as *A Coffin for Dimitrios* and *Journey into Fear* He also tells of his service in the film division of the British War Office during World War II which allowed him to write his first screenplays and his postwar renown as the leading writer in the genre on both sides of the Atlantic *Here Lies* Eric Ambler,2017-09-08 Winner of the Edgar Allan Poe Award for Best Critical Biographical Work Only an idiot believes that he can write the truth about himself *Here Lies* is an insightful look inside the life and work of one of our greatest thriller writers In this Edgar Award winning autobiography Ambler applies his deft touch to his own story his South London childhood his brief engineering career his time as an advertising copywriter and of course the publication of his revolutionary spy novels He then explores his time at war his service in the film division of the British War Office and his resulting screenplays *Here* Ambler presents a compelling account of a life as enigmatic as it was exceptional ***The World Is Not Enough*** Oliver Buckton,2021-06-12 The definitive history of the flamboyant life of Ian Fleming and his most famous creation James Bond This new biography of Ian Fleming presents a fresh and illuminating portrayal of the iconic creator of James Bond Oliver Buckton provides the first in depth exploration of the entire process of Ian Fleming's writing from initial conception through composition to his involvement in the innovative publication methods of his books He also investigates the vital impact of Fleming's work in naval intelligence during World War Two on his later writings especially the wartime operations he planned and executed and how they drove the plots of the James Bond novels Offering a radically new view of Fleming's relationships with women and their influence on Fleming's work and concluding with a thorough analysis of the James Bond films *The World is Not Enough* is a fascinating investigation into the life and works of a celebrated writer **Eric Ambler** Peter Elfed Lewis,1990 Eric Ambler is widely regarded as one of the most important thriller writers of the twentieth century In the 1930s he set out to give respectability to a genre that he rightly recognized to be in desperate need from its status as pulp fiction With six novels published between 1936 and 1940 Ambler laid the foundations for the postwar generation of writers who have raised the spy novel to a form of literature Like Graham Greene Ambler has used thriller ingredients to create a series of novels that investigate many aspects of modern life from totalitarian political regimes to white collar crime This book by Edgar Allan Poe Award winning author Peter Lewis is the first full length study of Ambler's life and work In it we get to the heart of the grand master of intrigue through

insightful discussions of such popular novels as *Epitaph for a Spy* A Coffin for Dimitrios *The Light of Day* on which the well known film *Topkapi* is based and *The Siege of the Villa Lipp* among many others Through a book by book explication of Amber's major themes and methods we come to see how his work has changed while remaining always topical As this book cogently argues no novelist has done more to dissolve the boundaries that have separated popular from serious fiction
