Fortunato, 2013-08-14 This book focuses on how the sponsorship of sports works the costs the goals evaluation and selection of the property a sponsor chooses how to activate a sponsorship how to create a brand association public relations and brand image possibilities Anything is possible in a sponsorship it is simply what the sponsor and the property can agree to during their negotiations There is for example the opportunity for product category exclusivity no competing brand at a particular location With the audience being harder to reach because of technology sponsorship continues to be a viable way to obtain brand exposure and better connect a brand with a consumer With global sponsorship spending totaling more than 51 billion it is clear that many companies see this as an important promotional communication strategy Instructors considering this book for use in a course may request an examination copy here *The Sponsor* Erik Barnouw, 2017-09-29 The television sponsor has become semi mythical He is remote and unseen but omnipresent Dramas football games and press conferences pause for a word from him He makes possible concerts and public affairs broadcasts His underwriting grants brings the viewer music festivals and classic films Interviews with visiting statesmen are interrupted for him to continue in a moment Sponsorship is basic to American television Even noncommercial television looks to it for survival A vast industry has grown up around the needs and wishes of sponsors Television's program formulas business practices and ratings have all evolved in ways to satisfy sponsor requirements Indeed he has become a potentate of our time The Sponsor is divided into three parts In Rise Barnouw sketches the rise of the sponsor in both radio and television to his present state of eminence In Domain the sponsor's pervasive impact on television programming is examined with an emphasis on network television the primary arena of the industry And in Prospect Barnouw assesses what such dominance has meant for American society mores and institutions and what it may mean for our future This is a gripping volume about power how it not only influences programming itself but how it defines for the average person what is good great and desirable FCC Record United States. Federal Communications Commission, 2011-06-27 *Sponsorship: For a Return on Investment* Guy Masterman, 2012-06-14 Sponsorship is both a critical communications tool for sponsors as well as a fundamental revenue stream for rights owners Market leaders use sponsorship widely and arguably more successfully than any other communications tool to achieve competitive advantage whilst events of all sizes depend on sponsorship just to exist As the importance of sponsorship has increased the demands of it have risen too Now sponsors seek measurable return on their investment Sponsorship For a Return on Investment provides a unique insight on the use of sponsorship for a return on investment and will appeal to practitioners and undergraduate and postgraduate students alike It builds a conceptual framework for the development planning implementation and evaluation of strategies for sport arts music and community sponsorship and from two perspectives For rights owners the importance of effectively acquiring and then developing a bespoke approach for the recruitment of sponsors for effective sponsorship programmes For sponsors a better understanding
