All About Cows

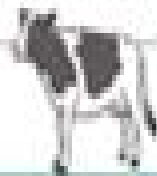

You might have seen lots of cows, but do you know many facts about cows? Cows are very clever and friendly. They also have very interesting bodies. Cows have been used throughout history for lots of things, not just meat and milk! Read on to learn lots of interesting facts about cows.

Cows are very friendly animals, and they are clever too! In their herds, cows make friends with each other and they sometimes have arguments too. In this way, cows are just like people.

A cow's body is not like a person's though because they have a special stomach which has four parts. Their food travels between the parts and each part does a different job to break it down. That means they can swallow food quickly without chewing it much.

Sometimes, cows are mostly used for their meat and their milk. In the older days they were used for other things, such as pulling farm machines called ploughs, which helped the farmer to plant vegetables and other crops. In some places, cows were even ridden like horses!

Cows are interesting creatures. They are friendly and clever like people, but they have very different stomachs. Cows have been useful in many different ways over time.
