Discussion Guide

Mere Christianity (HarperSanFrancisco, 2001) provides a powerful case for the Christian faith. It challenges the reader to explore all aspects of religion and to be open to new possibilities. The book tackles some of the tough questions that believers and nonbelievers ask, while bringing together spiritual truths. This is an excellent resource for building a stronger faith and a closer relationship with God.

This discussion guide covers the four books presented in *Mere Christianity* and provides two questions (a and b) for each of the chapters within the four books.

Permission is granted to reproduce this discussion guide.
