

The book cover features two men. On the left, a young man with light hair and blue eyes looks directly at the camera with a neutral expression. On the right, a man with dark hair and a beard is shown from the chest up, wearing a light blue button-down shirt that is open at the collar. He is looking down, and his hands are visible near his waist, possibly adjusting his pants. The background is a deep red with a subtle, darker red pattern. The title 'MORE THAN BEST FRIENDS' is written in large, white, bold, sans-serif capital letters, slanted upwards from left to right. Below the title, a thin white horizontal line separates it from the subtitle 'HIS FIRST TIME', which is also in white, bold, sans-serif capital letters but smaller. At the bottom of the cover, the author's name 'HUGH BLACKWOOD' is printed in white, bold, sans-serif capital letters.

**Gay, Lesbian, Bisexual, and Transgender People with Developmental Disabilities and Mental Retardatio** John D Allen, 2014-01-21 Experience the birth of the first support group for sexual minorities with developmental disabilities Reflecting an unprecedented development in the disabled and sexual minority communities Gay Lesbian Bisexual and Transgender People with Developmental Disabilities and Mental Retardation Stories of the Rainbow Support Group describes the founding achievements and history of a unique group providing support for people with developmental disabilities or mental retardation DD MR who are gay lesbian bisexual and transgender In this pathbreaking book group founder John D Allen describes the Rainbow Support Group s beginnings in 1998 at the New Haven Gay Lesbian Community Center in Connecticut and the ways in which it has been shattering myths and stereotypes surrounding people with mental retardation ever since From the author Not only are people with DD MR full human beings with the same needs and desires for intimacy and healthy sexual expression as people without intellectual disabilities but the group is evidence that some people with DD MR have an understanding of sexual orientation as well Acknowledging that people with mental retardation are sexual is a new development in the human service field but one that is still in the pre Stonewall days regarding those who are gay Although people with mental retardation are given unprecedented freedom to make personal vocational decisions there is an unfounded expectation that they do not have a sexuality let alone a homosexuality Members of the Rainbow Support Group discuss the same concerns as other gay people but in a support system that recognizes their unique perspective This insightful book shows how membership in the Rainbow Support Group addresses the very real fears and concerns of its members including being forced into heterosexual social situations since that is the only available option for socialization dealing with being outed to peers and staff since many DD MR people are not their own legal guardians this can

lead to removal of privileges various kinds of abuse and other negative consequences in their day to day lives being ridiculed by unsupportive staff being excluded from family functions because of their sexual orientation It also illustrates the purely positive aspects of membership in the group which provides a place to learn appropriate ways to meet others hear messages about safe sex and feel empowered to advocate for their own intimacy needs an increased chance of finding a like minded partner although the group is certainly not a dating service an avenue for members to connect with others like them and with the larger gay community in the area events to participate in such as holiday parties field trips movie nights and gay pride celebrations The author continues What is exciting are the positive outcomes displayed once an individual enters the group Members quickly develop a sense of ownership and wear rainbow emblazoned clothing to meetings Everyone has joined the host community center to begin receiving regular mailings and event discounts Supervising staff report that members perform better at work have fewer behavioral issues and experience a greater feeling of contentment For people with mental retardation just to be able to say the words gay lesbian bisexual and transgender in an affirming environment is a cutting edge breakthrough What the group has accomplished and will hopefully continue to illuminate is the understanding that people with DD MR are entitled to a whole life experience including discovering and enjoying their sexuality *Gay, Lesbian, Bisexual, and Transgender People with Developmental Disabilities and Mental Retardation* John Darrett Allen, 2003 Reflecting an unprecedented development in the disabled and sexual minority communities this book describes the founding achievements and history of a unique group providing support for GLBT people with developmental disabilities or mental retardation In this pathbreaking book group founder John D Allen describes the Rainbow Support Group s beginnings in 1998 at the New Haven Gay Lesbian Community Center in Connecticut and the ways in which it has been shattering the myths and stereotypes surrounding people with mental retardation ever since **St. Nicholas** Mary Mapes Dodge, 1914 *Gay* Evelyn Whitaker, 1903 **What Do I Say to a Friend Who's Gay?** Emily Parke Chase, With real life stories and answers from a Christian perspective this text teaches young adults how to openly minister to gay friends and deal with personal questions regarding the social ambiguities of homosexuality *Gay Daddies Box Set* J.M.
