Seeking Spirit Beyond the Bottle Helen Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions These are usually self involved occupations It s as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author s growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safety and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry s words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only

one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve **Humanities** ,2011 **Peak TV's Unapologetic Jewish Woman** Samantha

Pickette,2022-12-19 Peak TV s Unapologetic Jewish Woman Exploring Jewish Female Representation in Contemporary Television Comedy analyzes the ways in which contemporary American television with its unprecedented choice diversity and authenticity is establishing a new version of the Jewish woman and a new take on American Jewish female identity that challenges the stereotypes of Jewish femininity proliferated on television since its inception Using case studies of streaming cable and network comedy series from the past decade written and created by Jewish women including Broad City Crazy Ex Girlfriend The Marvelous Mrs Maisel among others this book illustrates how this new Jewish woman has been given voice and agency by the bevy of Jewish female showrunners interested in telling stories about Jewish women for wider audiences

Crimes of the Powerful and the Contemporary Condition Adam Lynes,James Treadwell,Kyla Bavin,2024-06-24 The ultimate expression of power is the ability to act beyond the confines of law Illuminating the condition of panoramic power this book offers new thinking on damaging structures of power and privilege and the political activities needed to achieve intervention and change *The War Within - Between Good and Evil* Bhimeswara Challa, The human has always prided himself as an exceptional moral species but has always been haunted by two questions Why am I not good when I want to be why do I do bad when I don t want to This is at the heart of what scriptures and sages have long alluded to as the eternal internal struggle between good and evil that wages in the human consciousness The book posits that much of our confusion and angst stems from our inability to recognize the ramifications of this war between two sides of our own self It is because we are ignoring this war between two sides of our own self It is because we are ignoring this war that we are losing all other wars of the world That ignorance is the primary source of all the horrors malevolence and violence that fill us with so much dread But a favorable outcome is possible only if the forces of goodness are aided to get an upper hand consistently and that calls for two cathartic changes consciousness change by inducing a turn from the mind to the heart and contextual change by radically reconstructing the roles of morality money and mortality in our everyday lives The book offers a menu of insights and options we all can use to tilt the scales in the war waging inside each of us **Devil's Brood** Sharon Kay

Penman,2008-10-07 A breathtaking and sweeping epic of a family at its breaking point Devil s Brood shows how Henry II and Eleanor of Aquitaine two monumental figures once bound by all consuming love became the bitterest of adversaries A D 1172 Henry II s three eldest sons conspire against him and align themselves with his greatest enemy King Louis of France but it s Eleanor of Aquitaine s involvement in the plot to overthrow her husband that proves to be the harshest betrayal As a royal family collapses and a marriage ends in all but name the clash between these two strong willed and passionate souls will
