Musique Et Enregistrement:

The Normativity of Musical Works: A Philosophical Inquiry Alessandro Arbo, 2021-05-25 What do we mean when we talk about the identity of a musical work and what does such an identity involve? What in fact are the properties that make it something worth protecting and preserving? These issues are not only of legal relevance; they are central to a philosophical discipline that has seen considerable advances over the last few decades. Musical ontology. Taking into account its main theoretical models, this essay argues that an understanding of the ontological status of musical works should acknowledge the irreducible ambivalence of music as an art of the trace and as a performative art. It advocates a theory of the musical work as a social object and more specifically as a sound artefact that functions aesthetically and which is based on a trace informed by a normative value. Such a normativity is further explored in relation to three primary ways of conceiving and fixing the trace: orality, notation and phonography.

Musical Listening in the Age of Technological Reproduction

Gianmario Borio, 2016-04-29 It is undeniable that technology has made a tangible impact on the nature of musical listening. The new media have changed our relationship with music in a myriad of ways, not least because the experience of listening can now be prolonged at will and repeated at any time and in any space. Moreover, among the more striking social phenomena ushered in by the technological revolution, one cannot fail to mention music's current status as a commodity and popular music's unprecedented global reach. In response to these new social and perceptual conditions, the act of listening has diversified into a wide range of patterns of behaviour which seem to resist any attempt at unification. Concentrated listening, the form of musical reception fostered by Western art music, now appears to be but one of the many ways in which audiences respond to organized sound. Cinema, for example, has developed specific ways of combining images and sounds, and more recently digital technology has redefined the standard forms of mass communication. Information is aestheticized and music in turn is incorporated into pre-existing symbolic fields. This volume, the first in the series *Musical Cultures of the Twentieth Century*, offers a wide ranging exploration of the relations between sound technology and listening practices, considered from the complementary perspectives of art music and popular music, music theatre and multimedia composition and performance, ethnographic and anthropological research.

Performance Analysis Madalena Soveral, Sara Zurletti, 2018-12-10 This collection of essays highlights different questions concerning music theory, interpretation and performance. Organized into four chapters, the first section looks into interpretation from a hermeneutic perspective, whereas the second analyses the application of this knowledge in musical practice. The discussion turns in the third part to a new field of music theory, broadly labelled as performance studies. Focused on physical and psychological events, this section broaches fundamental issues such as gesture, bodily movement, expression, emotion, a whole set of processes that act within the framework of performance. The final section addresses the artistic practices in the 21st century across present day cultural contexts. Proposing a space for reflection in which one tries to imagine the relation between the scientific field and the

interpretative process this volume reflects the central issues of research in performance analysis establishing connections between different disciplines methodologies and research trends It will be of essential interest to researchers musicians and performers and music students

Ma'luf Ruth Frances Davis,2004 This is the only book in the English language on Tunisian music or on any national tradition of Arab Andalusian music and it is the only book in any language to survey changes in the ma'luf since its modern revival in the early 20th Century within the framework of social political and musical developments in Tunisia and the wider Middle East The author explores topics such as Arab music theory modernization westernization and Egyptianization the use of notation in oral tradition and cultural policy The relations between traditional music and the mass media are also considered and the conclusions of this study have a significance that will extend beyond Tunisian and Middle Eastern music to ethnomusicology as a whole

Daft Punk and the Legacy Album Sébastien Lebray,2025-05-15 While much has been said about the nostalgia and historic references of Daft Punk's final album Random Access Memories this book reveals its ambition and future focus and claims these aspects do not necessarily contradict Random Access Memories will remain the very last Daft Punk album Often understood as an expression of nostalgia towards the music of the 1970s 1980s this work should not be reduced to a simple tribute to the masters of disco Beyond their retro airs their interest in old studios and their preference for analogue equipment Daft Punk invent new creative approaches in the continuity of the history of electronic music leaving more room for humanity and collective performance The band claims audacity and ambition in a way that is reminiscent of the spirit more than in the style of 1970s progressive rock with characteristics such as the expansion of the instrumentarium experimentation in the recording studio and the development of structures Concerned with opening up new ways without giving in to a technicist headlong rush Random Access Memories appears to be a work of its era much more than a pastiche of the past

Music of the past, instruments and imagination Michael Latcham,2006 Ce volume présente les délibérations des Deuxièmes Rencontres Internationales harmoniques du printemps 2004 Les conférences ont été données par des experts des instruments claviers et des cuivres L'accent a été mis sur une variété de traditions historiques de facture instrumentale et sur l'histoire du renouveau de l'utilisation d'instruments anciens Les contributions traitent non seulement des paramètres des pratiques instrumentales mais encore de l'inspiration donnée dans ces domaines par quelques pionniers du renouveau de la musique ancienne Dans bien des cas les auteurs se sont penchés plus spécialement sur l'interprétation de la musique de Johann Sebastian Bach This volume presents the proceedings of the second International Congress organised in Lausanne by the harmoniques Foundation and held in the Spring of 2004 The papers were given by experts on brass and stringed keyboard

instruments The emphasis was on a variety of historical instrument making traditions and on the history of the revival of the use of early instruments The contributions not only included detailed discussions regarding the parameters of performance practice and the use of historical instruments but also about the inspiration given by some of the leading revivalists in these fields In many cases the contributors placed a special focus on the performance of the music of Johann Sebastian Bach

comprendre, dansez seulement ! Mahesse Kolé,2023-10-22 At a time when Côte d'Ivoire was experiencing a military political crisis and was split in two 2002 the Coup D'cal appeared as a real innovation in the Ivorian musical universe It caused a sensation with cultural practices a dress code choreographic concepts and musical forms that were atypical of the time While pre-existing genres such as Reggae Hip Hop and Zuglou are positioned as committed music Coup D'cal on the other hand is in a completely different register that of bringing joy setting the mood forgetting the sad reality of this difficult period Nearly two decades later the Coup D'cal continues to enjoy great popularity among a community of fans who are sensitive to the ideology promoted and the social practices that derive from it This study develops a reflection on the Coup D'cal a form of cultural mediation that consolidates a subcultural identity It aims first to show the pictorial and imagined representations of the youth subculture through musical content then to examine the actors' practices and interactions that lead to the development of the musical work and finally to demonstrate how the public and the producers through the reception of the music and the identification with the Coup D'cal constitute a subculture In short the Coup D'cal is a

subcultural identity It specifies a new relationship to politics to social norms and above all a quest for pleasure endangerment and amusement Au moment où la Côte d'Ivoire connaît une crise militaro-politique et est coupée en deux en 2002 le Coup Dival apparaît comme une véritable innovation dans l'univers musical ivoirien Il fait sensation avec des pratiques culturelles un code vestimentaire des concepts chorographiques et des formes musicales atypiques à l'époque Pendant que les genres préexistants notamment le Reggae le Hip Hop et le Zouglou se positionnent comme des musiques engagées le Coup Dival quant lui s'inscrit dans un tout autre registre celui d'apporter de la joie de mettre de l'ambiance d'oublier la tristesse qui régit cette période difficile Presque deux décennies plus tard le Coup Dival continue de jouir d'une grande popularité auprès d'une communauté de fans sensibles à l'idéologie promue et aux pratiques sociales qui en dépendent Cette tendance à développer une réflexion sur le Coup Dival une forme de médiation culturelle qui consolide une identité sous-culturelle Elle veut d'abord montrer les représentations imaginaires et imaginaires de la sous-culture jeune traversant les contenus musicaux ensuite examiner les acteurs pratiques et interactions qui conduisent à la laboration de l'œuvre musicale et enfin à montrer en quoi le public et les producteurs traversent la perception de la musique et l'identification au Coup Dival constituent une sous-culture En définitive le Coup Dival constitue une identité sous-culturelle Il précise un nouveau rapport au politique aux normes sociales et surtout une quête vers le plaisir à l'enjaillement et à l'amusement

Musique Et Enregistrement Introduction

In the digital age, access to information has become easier than ever before. The ability to download Musique Et Enregistrement has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Musique Et Enregistrement has opened up a world of possibilities. Downloading Musique Et Enregistrement provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Musique Et Enregistrement has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Musique Et Enregistrement. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Musique Et Enregistrement. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Musique Et Enregistrement, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Musique Et

Enregistrement has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
