THE OTHER SIDE OF THINGS & THE STRUGGLE AND HOPE FOR A BETTER WORLD Van Hugo, 2024-11-11 I want my readers and audiences to know that this book is the rest of the last two books and also more about other subjects After the publishing of the last two books it has come to my attention that my work is not done because there are more situations that are going in Haiti and the world shortly after the fourth book was published I wish some of the information were available to me few months before I publish the fourth book to include them on the fourth book That is why the fifth book takes longer to publish due to some ongoing situation that is going in the world particularly in Haiti I know the title of the book may sound strange to some of you Do not let the title of the book fools yo u because there is more going in the book than the title itself I could not find any other title to give the fifth book because of the way it was design and write on a lot of subjects Each part or chapter stands individually but connect to each other to some degree You will find out for yourself while reading the book

The Seven Hebrew Words for Praise Gerry Malanda, Praise and worship are an integral part of our relationship with God. The bible on numerous times gives a picture of the importance of praise and worship. In fact, Ezekiel and John in the book of Revelations paint a beautiful picture in our minds of worship in Heaven. However, without proper teaching and exploration, Praise and Worship can be reduced to singing and emotionalism. Brother Gerry Malanda, Apostle and Leader of House Of Prayer For All Nations, Europe and Teacher on TBN's Voice of Healing UK gives a thorough and extensive teaching on what the Word of God teaches on Praise and Worship. Brother Gerry explores what is worship, what is the heart of a true worshiper, what does it mean to worship in spirit and truth. He further highlights the importance of walking in forgiveness and peace with everyone else as well as not using worship as a means to manipulate God. Finally, Brother Gerry looks at the seven Hebrew words of praise used in the bible. We often lift our hands, shout and wave as we praise with little understanding on its meaning. This book will give you a better understanding of praise and worship. For some, it will broaden the limited understanding as praise being just singing; for others, it will bring understanding on some of the activities that happen during praise and worship. A must read.
