Knowledge & Discourse Colin Barron, Nigel Bruce, David Nunan, 2014-06-06 Knowledge and Discourse presents an ecological approach to the study of discourse in social academic and professional practices. It brings together distinguished scholars from diverse cultures: India, China, Australia, Canada, among others, and disciplines: linguistics, anthropology, sociology, philosophy. The chapters collectively illustrate the ecological approach by exploring how language makes connections between subjective experiences as people construct meaning and action. This book offers the reader a holistic interdisciplinary approach to the study of language as discourse, questioning traditional views of disciplinary knowledge and the role of discourse in the pursuit, construction, and compartmentalisation of such knowledge. Through the variety of disciplines, experiences, and approaches, the contributors show how the world and word are contingent on each other. The notions of connectivity, contingency, and change are themes that run through the book, and in the interweaving of these themes, readers will find persuasive illustrations of an ecological approach to applied linguistics.

Backlash: South Asian Immigrant Voices on the Margins Rita Verma, 2019-02-11 This book presents yet another compelling argument about the lives and struggles of new immigrant youth in public schools and demands the attention of educators, policy makers, and academics. In the post-September 11th political, economic, and social climate, there are silenced and forgotten young immigrants in our schools. Racist nativism, Islamophobia, and hegemonic discourse have in many ways legitimized the false information and emerging stereotypes that are disseminated by popular culture and the media. From the perspective of working-class Sikh youth who have unduly borne the brunt of such hostility and racial profiling, we learn about their daily lives both in their communities and schools. The youth engaged in identity politics and occupied contradictory hybrid spaces of being neither here nor there. Attempts to transplant religious identities led to personal battles of self-definition and transformation. In contrast to the available literature on the Asian American model minority, Verma explores the working-class experience of South Asian families who face downward economic mobility, limited opportunities, low academic achievement, racism, and marginalization from both their communities and the mainstream public. Hidden under the umbrella of the model minority stereotype, the needs of working-class South Asian youth are largely compromised as their engagement from school plummets. In the midst of shifting politics of belonging, citizenship, and nation building, the reader is drawn to listen to the personal stories, hopes, and dreams of youth who face uncertain realities and doubts about the grandeur of the American dream.

T&T Clark Handbook of Asian American Biblical Hermeneutics Uriah Y. Kim, Seung Ai Yang, 2019-05-30 The first reference resource on how Asian Americans are currently reading and interpreting the Bible, this volume also serves a valuable role in both developing and disseminating what can be termed as Asian American biblical hermeneutics. The volume works from the important background that Asian Americans are the fastest growing ethnic racial minority population in the USA and that 42% of this group identifies as Christian. This provides a useful starting point from which to examine what may

be distinctive about Asian American approaches to the Bible Part 1 of the Handbook describes six major ethnic groups that make up 85% of Asian population by country of origin China Philippines Indian Subcontinent Vietnam Korea Japan and outlines the specific concerns each group has when its members read the Bible Part 2 of the Handbook examines major critical methods in biblical interpretation and suggests adjustments that may be helpful for Asian Americans to make when they are interpreting the Bible Finally Part 3 provides 25 interpretations by Asian American biblical scholars on specific texts in the Bible using what they consider to be Asian American hermeneutics Taken together the Handbook interprets the Bible both with and for the Asian American communities

Mixed Andrew Garrod, Christina Gómez, Robert Kilkenny, 2013-11-29 Mixed presents engaging and incisive first person experiences of what it is like to be multiracial in what is supposedly a postracial world Bringing together twelve essays by college students who identify themselves as multiracial this book considers what this identity means in a reality that occasionally resembles the post racial dream of some and at other times recalls a familiar world of racial and ethnic prejudice Exploring a wide range of concerns and anxieties aspirations and ambitions these young writers who all attended Dartmouth College come from a variety of racial ethnic and socioeconomic backgrounds Unlike individuals who define themselves as having one racial identity these students have lived the complexity of their identity from a very young age In Mixed a book that will benefit educators students and their families they eloquently and often passionately reveal how they experience their multiracial identity how their parents race or ethnicity shaped their childhoods and how perceptions of their race have affected their relationships

The Routledge History Handbook of Gender and the Urban Experience Deborah Simonton, 2017-02-03 Challenging current perspectives of urbanisation The Routledge History Handbook of Gender and the Urban Experience explores how our towns and cities have shaped and been shaped by cultural spatial and gendered influences This volume discusses gender in an urban context in European North American and colonial towns from the fourteenth to the twentieth century casting new light on the development of medieval and modern settlements across the globe Organised into six thematic parts covering economy space civic identity material culture emotions and the colonial world this book comprises 36 chapters by key scholars in the field It covers a wide range of topics from women and citizenship in medieval York to gender and tradition in nineteenth and twentieth century South African cities reframing our understanding of the role of gender in constructing the spaces and places that form our urban environment Interdisciplinary and transnational in scope this volume analyses the individual dynamics of each case study while also examining the complex relationships and exchanges between urban cultures It is a valuable resource for all researchers and students interested in gender urban history and their intersection and interaction throughout the past five centuries

The Asian Diet Charles Tan, 2011-04-14 What can you do to spend less save more and be happier Why is it your moral duty to spank your kids How are we contributing to the most pressing global issues of our generation and how can we be part of the ultimate solution This book is all about the cultural differences between East and West the way we view

food money love and life These may appear insignificant at first especially when viewed at the individual level but our collective differences are what lay behind the big issues in our world today macroeconomic imbalances urban poverty rising obesity rates and pension deficits among others The Asian Diet is intended to be a lesson in common sense and basic discipline but it also aspires to be an exercise in moral and philosophical debate The world has no shortage of soulless charlatans touting their half baked strategies as the road to riches Millions of books have been written and sold on topics ranging from real estate speculation to day trading to internet entrepreneurship yet the only millionaires being created seem to be the authors not the readers The Asian approach is quite a different one It is in essence a get rich slow scheme espousing the virtues of self restraint and savings Because income alone does not equal wealth it is the excess of income over expenditure that does and in life it is infinitely easier to control what you spend than what you earn A modern day call to arms against the wretchedness of debt and decadence The Asian Diet implores us to cease our profligate ways to stop blaming others for our problems to take responsibility for our own lives and to start thinking critically about the issues we face each day

Language in the Schools Kristin Denham, Anne Lobeck, 2006-04-21 Language in the Schools Integrating Linguistic Knowledge Into K 12 Teaching addresses two important questions What aspects of linguistic knowledge are most useful for teachers to know What kinds of activities and projects are most effective in introducing those aspects of linguistic knowledge to K 12 students The volume focuses on how basic linguistic knowledge can inform teachers approaches to language issues in the multicultural linguistically diverse classroom The text also includes examples of practical applications of language awareness to pedagogy assessment and curriculum construction which support the current goals of language arts bilingual and ESL education Language in the Schools Integrating Linguistic Knowledge Into K 12 Teaching contributes to the resources on linguistics and education by taking prospective teachers beyond basic linguistics to ways in which linguistics can productively inform their teaching and raise their students awareness of language It is intended as a text for students in teacher education programs who have a basic knowledge of linguistics

Liberating Jonah De La Torre, Miguel A., 2015-04-21 When a reluctant Jonah finally entered Nineveh to announce God s grace to the powerful Assyrian empire God brought about reconciliation between the oppressors and the oppressed Our world today inhabited by both oppressors and oppressed is also in need of reconciliation between different ethnic backgrounds socio economic levels and gender and sexual orientations Liberating Jonah describes the significant role that can be played by the underrepresented and oppressed as instruments of reconciliation today From publisher s description

Stay Black and Die I. Augustus Durham, 2023-11-17 In *Stay Black and Die* I Augustus Durham examines melancholy and genius in black culture letters and media from the nineteenth century to the contemporary moment Drawing on psychoanalysis affect theory and black studies Durham explores the black mother as both a lost object and a found subject often obscured when constituting a cultural legacy of genius across history He analyzes the works of Frederick Douglass Ralph Ellison Marvin Gaye Octavia E Butler and Kendrick Lamar to show how black cultural practices and aesthetics abstract and reveal the lost mother through performance Whether attributing Douglass's intellect to his matrilineage reading Gaye's falsetto singing voice as a move to interpolate black female vocality or examining the women in Ellison's life who encouraged his aesthetic interests Durham demonstrates that melancholy becomes the catalyst for genius and genius in turn is a signifier of the maternal Using psychoanalysis to develop a theory of racial melancholy while playing with affect theory to investigate racial aesthetics Durham theorizes the role of the feminine especially the black maternal in the production of black masculinist genius

[The South Asian Diaspora](#) Rajesh Rai, Peter Reeves, 2008-07-25 The South Asian Diaspora numbers just under 30 million people worldwide and it is recognized as the most widely dispersed diaspora It is moreover one which of late has seen phenomenal growth both due to natural increase and the result of a continued movement of professionals and labourers in the late 20th and early 21st century from the subcontinent to countries such as the United States the United Kingdom Canada Australia and Singapore This book uses the concept of transnational networks as a means to understand the South Asian diaspora Taking into account diverse aspects of formation and development the concept breaks down the artificial boundaries that have been dominating the literature between the old and the new era of migration Thereby the continued connectedness of most historic South Asian settlements is shown and the fluid nature of South Asian identities is explored Offering a unique and original insight into the South Asian diaspora this book will be of interest to academics working in the field of South Asian Studies Diaspora and Cultural Studies Anthropology Transnationalism and Globalisation

The Ordeal of Elizabeth Marsh Linda Colley, 2009-01-21 In this remarkable reconstruction of an eighteenth century woman's extraordinary and turbulent life historian Linda Colley not only tells the story of Elizabeth Marsh one of the most distinctive travelers of her time but also opens a window onto a radically transforming world Marsh was conceived in Jamaica lived in London Gibraltar and Menorca visited the Cape of Africa and Rio de Janeiro explored eastern and southern India and was held captive at the court of the sultan of Morocco She was involved in land speculation in Florida and in international smuggling and was caught up in three different slave systems She was also a part of far larger histories Marsh's lifetime saw new connections being forged across nations continents and oceans by war empire trade navies slavery and print and these developments shaped and distorted her own progress and the lives of those close to her Colley brilliantly weaves together the personal and the epic in this compelling story of a woman in

Nayar, 2015-07-16 The Transnational in English Literature examines English literary history through its transnational engagements and argues that every period of English Literature can be examined through its global relations English identity and nationhood is therefore defined through its negotiation with other regions and cultures The first book to look at the entirety of English literature through a transnational lens Pramod Nayar Maps the discourses that constitute the global in every age from the Early Modern to the twentieth century Offers readings of representative texts in poetry fiction essay and drama covering a variety of genres such as Early Modern tragedy the adventure novel the narrative poem Gothic and utopian fiction Examines major authors including Shakespeare Defoe Behn Swift Coleridge Wordsworth Austen Mary Shelley the Brontës Doyle Ballantyne Orwell Conrad Kipling Forster Looks at themes such as travel and discovery exoticism mercantilism commodities the civilisational mission and the multiculturalization of England Useful for students and academics alike this book offers a comprehensive survey of the English canon questioning and analysing the transnational and global engagements of English literature **Random Thoughts on My Reality** Jay Thomas Willis, 2021-02-26 This book consists of seventy articles written about items in the daily news They are 700 to 1 000 words each The articles consider aspects of how Blacks are going backward rather than forward educationally politically spiritually socially psychologically and economically Ideas were germinated from the Internet TV magazines newspapers and a lifetime of experiencing trials and tribulations Most of these articles were my own creations Some of the ideas are personal while some are more public but all are captivating The Boy's Own Paper , 1884

Intentional Invisibilization in Modern Asian History: Concealing and Self-Concealed Agents Mònica Ginés-Blasi, 2025-03-03 Scholars from the humanities and social sciences have repeatedly faced the challenge of writing history beyond the constraints and frameworks set by grand narratives and established historiographies This book addresses the intentional invisibilization and concealment of people knowledge and ideas in historiography both by historians and by the historical actors themselves as an object of study It does so through the lens of Asian bondage and dependency in modern and contemporary history This collective work focuses on concealment self concealment and invisibility to analyze the asymmetrical agency involved in the act of hiding someone or something from being inscribed in the record and the social marginalization involved in this process With studies ranging from imperial colonial and postcolonial history language and translation studies as well as digital archival sciences the authors in this book examine ways in which concealment serves as a strategic tool for exercising power and shaping the flow of information Consequently this volume urges a fresh awareness of narrative construction encouraging humanities researchers to think creatively and to historicize independently of dominant narratives **What Sorrows Labour in My Parent's Breast?** Brenda E. Stevenson, 2023-04-21 The legacy of the slave family haunts the status of black Americans in modern U S society Stereotypes that first entered the popular imagination in the form of plantation lore have continued to distort the African American social identity In What Sorrows

Labour in My Parents Breast Brenda Stevenson provides a long overdue concise history to help the reader understand this vitally important African American institution as it evolved and survived under the extreme opposition that the institution of slavery imposed The themes of this work center on the multifaceted reality of loss recovery resilience and resistance embedded in the desire of African American descended people to experience family life despite their enslavement These themes look back to the critical loss that Africans both those taken and those who remained endured as the enslaved poet Phillis Wheatley honors in the line What sorrows labour in my parents breast and look forward to the generations of slaves born through the Civil War era who struggled to realize their humanity in the recreation of family ties that tied them through blood and emotion to a reality beyond their legal bondage to masters and mistresses Stevenson pays particular attention to the ways in which gender generation location slave labor the economic status of slaveholders and slave societies laws affected the black family in slavery The New Cambridge English Course 3 Teacher's Book Michael Swan,Catherine Walter,Desmond O'Sullivan,1992-09-10 The New Cambridge English Course is a four level course for learners of English
