

- I am completely keen on reading. I try to read every day. I like fantasy stories and some adventurous stories. And there is a story of that kind I am eager to read over and over again. Its name is “Harry Potter.” The story was written by a popular British writer J. K. Rowling. And it tells us about a little boy Harry who lives in a family of his aunt. One day he finds out that he is a wizard and should go to study to a school of magic —

Hogwarts. And that’s where the story begins. In the following 7 parts we get to know what a great wizard Harry is. He meets new friends, studies, does sport and conquer the most evil magician in the world. I love this book for all of this. I have already read it a few times. And I know that I will definitely read it once again.
