**Asteroid Answers to Ancient Calendar Mysteries** Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity You Are a Theologian J.T. Inspiration Alden L. Thompson,2016-12-20 Is the Bible historically accurate Are there any contradictions in the Bible If we look too closely at the Bible might we find things that will destroy our faith Should I be afraid that some new archaeological discovery will prove the Bible wrong How much freedom do I have to interpret the Bible Combining history Scripture and an understanding of human nature Dr Thompson takes on the difficult questions regarding the Bible and inspiration He goes beyond the question of whether you can trust the Bible to ask whether you can trust yourself as you study This unique study of inspiration uses internal evidence from the Bible text its history collection and transmission to look at the way in which God works through prophets and Bible writers As an experiential lens he uses the experience of the Seventh day Adventist community of which he is a part and its reception and use of Ellen White as God s messenger This provides an example of someone who produced an incredible volume of written material in her lifetime yet maintained a great humility and understood her own spiritual experience as one of growth However Inspiration Hard Questions Honest Answers is not just for Seventh day Adventists The lessons drawn from the experience of one community have wide applicability as we look at a range of views on biblical interpretation experience tradition and contemporary claims of a prophetic word All communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others Ultimately the author is addressing a question that comes to all of us What is God s will and how can I know it Can I be certain To find the answers we need Dr Thompson reminds us We cannot just know Scripture we have to know God In this Second Revised Edition you will find a new bridge chapter designed to invite readers outside of

the Adventist tradition to join in the conversation as well as a number of minor updates and a set of beautiful photographs and drawings inspired by scripture prepared for this edition by Wanda Thompson It is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point Ultimately for God s Word in scripture to accomplish its mission we must each be inspired by it as well     **The Story of the Bible: Genesis to I Kings** ,1952     **The Academy and Literature** ,1895     *The Sunday-school Times* ,1887     *The Free Methodist* ,1902     Eerdmans Commentary on the Bible: Exodus William D. Johnstone,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Johnstone s introduction to and concise commentary on Exodus The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions
