Maths Investigator Micasebook:

Maths Investigator Caroline Clissold, Kate Pink, 2008-02 Maths Investigator is a secret spy agency whose mission is to make maths fun and exciting. The series has been extensively trialled and developed to offer schools a fresh and exciting way to combine the content and structure of the 2006 Mathematics Framework with the principles of the Primary Strategy Excellence and Enjoyment guidance to raise standards whilst making learning fun. The Maths Investigator approach focuses on developing the key skills of problem solving, speaking and listening and using and applying maths. It uses the engaging spy context and fully integrated software components to embed maths into problem solving and give pupils a clear purpose for learning. The Photocopy Masters provide supporting resources needed for pupil activities contained in the Teacher's Guide units and Differentiation Guide. All the Photocopy Masters are also available on the Interactive CD as Microsoft Word files which can be edited and printed but these loose leaf sheets can be stored with the Teacher's Guide units in the Ringbinder for convenience providing easy access when making multiple copies.

The Maths Investigator approach focuses on developing the key skills of problem solving, speaking and listening and using and applying maths. It uses the engaging spy context and fully integrated software components to embed maths into problem solving and give pupils a clear purpose for learning. The Teacher's Guide provides clear flexible lesson plans to support both confident mathematicians and less experienced teachers. With straightforward planning based on the 2006 Framework and creative teaching ideas it helps raise standards as well as making learning fun. Unique planning mind maps provide at a glance overviews of teaching throughout each unit making clear links between core areas of maths to ensure blocks of work are relevant and meaningful. Extra support and challenge activities make differentiation easy whilst assessment for learning questions help identify and address misconceptions. For flexibility Teacher's Guide units are packaged in topic packs. Each pack contains three two week units of work including access to the associated Interactive CD unit. MI5 TEACHER'S GUIDE TOPIC PACK B MEASURES booklets only contains units 2, 7 and 12.
