Money The Unauthorised Biography

Aditya Nain, P. G. Jung

Money The Unauthorised Biography:

Money Felix Martin, 2013 What is money and where does it come from We may think we know the answers but Felix Martin traverses the globe and delves into ancient history to radically reconfigure our understanding of man's greatest invention Across the centuries and continents currency has come in many different forms sugar in the West Indies nails in Scotland tobacco in Virginia dried cod in Newfoundland But how did the concept of currency arise Popular economics will tell us that today's financial structure evolved from bartering mankind's old **Money** Felix Martin, 2014-03-04 From ancient currency to Adam Smith from the gold standard to shadow banking and the Great Recession a sweeping historical epic that traces the development and evolution of one of humankind's greatest inventions What is money and how does it work In this tour de force of political cultural and economic history Felix Martin challenges nothing less than our conventional understanding of money He describes how the Western idea of money emerged from interactions between Mesopotamia and ancient Greece and was shaped over the centuries by tensions between sovereigns and the emerging middle classes He explores the extraordinary diversity of the world's monetary systems from the Pacific island of Yap where value was once measured by immovable stones to the currency of today that exists solely on globally connected computer screens Martin shows that money has always been a deeply political instrument and that it is our failure to remember this that led to the crisis in our financial system and so to the Great Recession He concludes with practical solutions to our current pressing money based problems Money skips nimbly among such far ranging topics as John Locke's disastrous excursion into economic policy Montesquieu's faith in finance to discipline the power of kings the social organization of ancient Sparta and the Soviet Union's ill fated attempt to abolish money and banking altogether Throughout Martin makes vivid sense of a chaotic and sometimes incoherent system the everyday currency that we all share in the clearest and most stimulating terms This is a magisterial work of history and economics with profound implications for the world today

Money Felix Martin, 2014-03-04 The essential handbook for anyone who wants to understand how our economic system really works what has gone wrong with it and what we can do to fix it What is money and how does it work The conventional answer is that once upon a time people exchanged what they produced for what they wanted cod in Newfoundland sugar in the West Indies tobacco in Virginia and that today's financial universe evolved from barter But there is a problem with this story It's wrong And dangerous Putting the record straight Money The Unauthorised Biography draws on stories from around the world and throughout history from the primitive tribe using as cash an enormous underwater stone wheel to the credits used by modern day babysitting circles taking in along the way spendthrift Dauphins sixteenth century vampire squid rituals of sacrificial feasts in Ancient Greece and the credit crisis in Ancient Rome an eerie pre echo of recent events In wonderfully witty and lucid style Felix Martin unfolds this panoramic secret history and explains the truth about money what it is where it comes from and how it works His absorbing account will rearrange your understanding of the world and show how money

can once again become the most powerful force for good By misunderstanding money we have become its slaves This book sets us straight in order to set us free *Money* Felix Martin,2013 **Money** Felix Martin,2015-01-06 What is money and how does it work In this tour de force of political cultural and economic history Felix Martin challenges nothing less than our conventional understanding of one of humankind s greatest inventions Martin describes how the Western idea of money emerged in the ancient world and was shaped over the centuries by tensions between sovereigns and the emerging middle classes Money he argues has always been an intensely political instrument and that it is our failure to remember this that led to the crisis in our financial system and the Great Recession He concludes with practical solutions for making money serve us and in an introduction and epilogue new to this edition a discussion of what Bitcoin and other cryptocurrencies mean for money s future From John Locke to Montesquieu from Sparta to the Soviet Union Money is a far ranging and magisterial work of history and economics with profound implications for the world today Money Felix Martin (economista),2013

Money David McWilliams,2024-09-17 In this groundbreaking book renowned global economist David McWilliams unlocks the mysteries and the awesome power of money what it is how it works and why it matters The story of money is the story of our desires our genius and our downfalls Money is power and power beguiles Nothing we ve invented as a species has defined our own evolution so thoroughly and changed the direction of our planet s history so dramatically Money has shaped the very essence of what it means to be human We can t hope to understand ourselves without it And yet despite money s primacy most of us don t truly understand it As economist David McWilliams states money is everything Money defines the relationship between worker and employer buyer and seller merchant and producer But not only that it also defines the bond between the governed and the governor the state and the citizen Money unlocks pleasure puts a price on desire art and creativity It motivates us to strive achieve invent and take risks Money also brings out humanity s darker side invoking greed envy hatred violence and of course colonialism Money isn t just paper or coins or virtual currency Money is humanity Leading economics expert David McWilliams answers these questions and more in Money an epic breathlessly entertaining journey across the world through the present and the past from the birthplace of money in ancient Babylon to the beginning of trade along the silk road to China from Marrakech markets to Wall Street and the dawn of cryptocurrency By tracking its history McWilliams uncovers our relationship with money transforming our perspective on its impact on the world right now McWilliams is no dusty economist he is a communicator at the highest level a highly telegenic and marketable expert who is as comfortable in front of a large audience talking about his favourite subject as he is appearing on podcasts social media and even in stand up comedy He s been called Ireland s most important economist and is ranked among the leading economists working today The story of money is the story of earth s most inventive destructive and dangerous animal Homo sapiens It is our story **Understanding Money** Aditya Nain,P. G. Jung,2021-07-29 This book offers a novel understanding of money by moving away from the dominant lens of economics through which it is usually seen In contrast to the economic

frameworks of money the volume examines philosophical discourses on money through conceptual frameworks that explain how monetary value manifests in various empirical monetary systems It showcases how the increasingly abstract nature of the objects that stand proxy for money could be conceptualized ontologically highlighting the predominance of digital money today as well as contemporary monetary innovations such as cryptocurrencies like Bitcoin Provocative yet grounded in a sound theoretical framework this book will be of interest to scholars students and teachers interested in money or monetary value across various domains and disciplines such as philosophy economics sociology anthropology finance science and technology studies as well as the interested general reader

The Essential Keynes John Maynard Keynes, 2016-01-05 The essential writings of the 20th century's most influential economist collected in one volume Today John Maynard Keynes is best remembered for his pioneering development of macroeconomics and for his advocacy of active fiscal and monetary government policy This uniquely comprehensive selection of his work edited by Keynes's award winning biographer Robert Skidelsky aims to make his work more accessible to both students of economics and the general reader All of Keynes's major economic work is included yet the selection goes beyond pure economics Here too are Keynes's essential writings on philosophy social theory and policy and his futurist vision of a world without work As Robert Skidelsky writes in his introduction People talk of the need for a new Keynes But the old Keynes still has superlative wisdom to offer for a new age For more than sixty five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 500 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Money Mary Mellor, 2019-07-03 What does money mean Where does it come from and how does it work In this highly topical book Mary Mellor an expert on money examines money's social political and commercial histories to debunk longstanding myths such as money being in short supply and needing to come from somewhere Arguing that money's immense social value means that its creation and circulation should be a matter of democratic choice she sets out a new finance system based on green and feminist concerns to bring radical change for social good
