D.L. Moody - A Life Kevin Belmonte, 2014-04-17 He burst on the fusty corridors of Victorian spirituality like a breath of fresh air regaling one prime minister with his sense of humor and touching the lives of seven presidents Who was this man A visionary D L Moody was a renowned evangelist in the nineteenth century Long before radio and television he brought the transformative message of the gospel before 100 million people on both sides of the Atlantic Thousands of underprivileged young people were educated in the schools he established and before the Civil War he went to a place no one else would in Chicago called Little Hell The mission he started in an abandoned saloon drew children by the hundreds and prompted a visit from President elect Abraham Lincoln in 1860 Drawing on the best most recent scholarship D L Moody A Life chronicles the incredible journey of one of the great souls of history

God's Man for the Gilded Age Bruce J. Evensen, 2003-09-25 At his death on the eve of the 20th century D L Moody was widely recognized as one of the most beloved and important of men in 19th century America A Chicago shoe salesman with a fourth grade education Moody rose from obscurity to become God's man for the Gilded Age He was the Billy Graham of his day indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected Bruce J Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns In four short years Moody forged the bond between revivalism and the mass media that persists to this day Beginning in Britain in 1873 and extending across America's urban landscape first in Brooklyn and then in Philadelphia New York Chicago and Boston Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles Modern newspapers in the grip of economic depression needed a story to stimulate circulation and found it in Moody's momentous mission The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history Critics claimed this machinery of revival was man made Moody's view was that he'd rather advertise than preach to empty pews He brought a

businessman's common sense to revival work and became much against his will a celebrity evangelist. The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions. In chronicling Moody's use of the press and their use of him, Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture. Moody's Municipal & Government Manual, 1922 **Moody's Magazine**, 1915 **Moody's Manual of Industrial and Miscellaneous Securities**, 1915 **Moody's Manual of Investments and Security Rating Service**, 1926 **Moody's Manual of Railroads and Corporation Securities**, 1922
