Mums On Strike:

Mums on Strike Laura Kemp, 2014-01-16 From the author of *Mums Like Us* comes a fun witty novel about what it's like when an ordinary mum has had enough Perfect for fans of *Pedigree Mum* and *The Mummyfesto* It was just a squashed grape on the kitchen floor Hardly a reason to get upset right But six years of motherhood has left Lisa Stratton feeling like a skivvy Every morning before she's opened her eyes she starts her mental inventory of jobs to do And just like yesterday the day before and every day since she became a mum she's woken up knackered So when her husband deliberately steps over the grape because it's her responsibility to run the house it tips her over the edge He wasn't always like this they used to share everything Then the kids came along and he saw it as an excuse to sit back But this time things are going to change Lisa has made a decision She's going on strike
