

Happy Holidays

TO OUR CUSTOMERS:

Looking back on the past year, we know that without your enthusiasm and energy, we wouldn't be where we are now.

Thanks to your feedback, we added eight new features to ProductName this year and earned our highest rating on ReviewPlatform yet.

Thanks to your referrals, we helped twice as many small businesses get online this year than last.

And thanks to you, we love our jobs!

Not only are we excited for 2022 with you, but we also have some big goals and big ideas that we can't wait to share. So stay tuned! But for now, enjoy the holiday season!

With many thanks,
The ProductName Team

customisable tests and grammar and vocabulary reference sections

Place and Progress in the Works of Elizabeth Gaskell Lesa Scholl, Emily Morris, 2016-03-09 Critical assessments of Elizabeth Gaskell have tended to emphasise the regional and provincial aspects of her writing but the scope of her influence extended across the globe Building on theories of space and place the contributors to this collection bring a variety of geographical industrial psychological and spatial perspectives to bear on the vast range of Gaskell's literary output and on her place within the narrative of British letters and national identity The advent of the railway and the increasing predominance of manufactory machinery reoriented the nation's physical and social countenance but alongside the excitement of progress and industry was a sense of fear and loss manifested through an idealization of the country home the pastoral retreat and the agricultural south In keeping with the theme of progress and change the essays follow parallel narratives that acknowledge both the angst and nostalgia produced by industrial progress and the excitement and awe occasioned by the potential of the empire Finally the volume engages with adaptation and cultural performance in keeping with the continuing importance of Gaskell in contemporary popular culture far beyond the historical and cultural environs of nineteenth century Manchester

The Business of Holidays Maud Lavin, 2004 Holiday celebrations in the United States are a major force driving the nation's approximately 3 trillion retail economy The commercial culture of holidays extends from the traditional decorations costumes and cards to the immaterial and ephemeral phone calls airline tickets and department store bills Simultaneously colorful presentation and careful analysis The Business of Holidays interprets holiday commerce and design corporate culture and tradition invented and inherited This volume consists of more than thirty five essays arranged according to the calendar year from New Year's Day and Martin Luther King Jr Day to Christmas Hanukkah and Kwanzaa and explores longstanding holiday images such as Santa Claus and shamrocks as well as quirkier aspects of visual culture The rites that surround these special days have been adopted or even invented by the pervasive marketing that surrounds them to such an extent that the celebration of holidays and the business of holidays have become inseparable
