Maria Edgeworth,1833 **Emilie and the Sky World** Martha Wells,2014-03-04 When Emilie and Daniel arrive in Silk Harbor Professor Abindon an old colleague of the Marlendes warns them that she s observed something strange and potentially deadly in the sky a disruption in an upper air aether current But as the Marlendes investigate further they realize it s a ship from another aetheric plane It may be just a friendly explorer or something far more sinister but they will have to take an airship into the dangerous air currents to find out Emilie joins the expedition and finds herself deep in personal entanglements with an angry uncle an interfering brother and an estranged mother to worry about not to mention a lost family of explorers the strange landscapes of the upper air and the deadly menace that inhabits the sky world *Jagged Dreams* C. C. Saint-Clair,2003 *The Sun Was Electric Light* Rachel Morton,2025-04-01 I read this pure pained beautiful book in a single burst and emerged from it with heart and nerves rinsed clean Helen Garner Disillusioned with her life in New York Ruth returns to a lake town in Guatemala where she had been happy a decade earlier There in Panajachel she meets two very different women the calm and practical Emilie and the turbulent and intoxicating Carmen Deciding to stay and build a life at the lake Ruth finds work first as a nanny to a wealthy local family then as an English teacher at a village school Meanwhile she becomes increasingly infatuated by her friendship with Carmen pushing away the stability of her connection with Emilie As Carmen s fragile relationship with the world splinters the difference between being a visitor and truly belonging becomes clear and Ruth is forced to act *Emilie and the Pink Tutu* Eliscia Wright,2016-10-25 This is a story about a little girl named Emilie who was given a handmade tutu from her mom Emilie later lost the tutu and didnt know how to tell her mom So she made up a story to tell her instead *Bi-location and Objects Appearing from Nowhere* Martin K. Ettington, I ve experienced many paranormal events in my life Most of them having something to do with prophecy I m also an Author of numerous books on the paranormal including my book written in 2009 God Like Powers and Abilities which was an overview or encyclopedia of different paranormal abilities This book is about the phenomena of Bi Location The stories about individuals bi locating are the most fascinating but I m also including stories of objects which appear and

disappear which might have similar underlying causes These two phenomena seem to be inextricably linked since they both involve teleportation through space and possibly quantum entanglement Which is covered in a later chapter I've read about and seen enough evidence and had enough of my own experiences to believe these abilities are real However my experience with bi location is brand new and outside of the box of my previous experiences Actually having one of these experiences is what led me to write this book on Bi Location and the spontaneous appearances of objects **Beyond Justice** Cara C.

Putman,2017-04-04 Hayden is on track to become the youngest partner in her prestigious DC law firm If the case she's just been handed doesn't destroy her first Hayden McCarthy knows firsthand the pain that follows when justice is not served It's why she became an attorney and why she's so driven in her career When she's assigned a wrongful death case against the government she isn't sure if it's the lucky break she needs to secure a partnership or an attempt to make sure she never gets there Further complicating matters is Andrew Wesley her roommate's distractingly attractive cousin But Andrew's father is a congressman and Hayden's currently taking on the government Could the timing be any worse The longer she keeps the case active the higher the stakes become Unknown enemies seem determined to kill the case or her Logic and self preservation indicate she should close the case But how can she when justice is still just beyond her reach **Monet, Tchaikovsky,**

Zola, and the World They Made Kristof Haavik,2022-06-20 This book tells the story of three young men two French one Russian all born the same year when European culture was moving from Romanticism to something else in painting music and literature Influenced by the environment from which they came all three grew to take a leading role in moving the arts in a bold new direction It was the age when Impressionism reinvented what painting could be when Naturalism changed how fiction is written and when Russia moved from the edges of European society to the vital role it has played ever since Leading guiding determining this new course were Monet Tchaikovsky and Zola Parallel biographies of these three artistic geniuses follow them from the magic year of their birth to the point when they established themselves as bold original creators in the early 1870s The book explores how they chose to follow careers in creative art how each of them came to play such a central role in their respective domains and how those arts interacted and influenced each other As they move through the cultural world of 19th century Europe a panorama appears of the rich intellectual environment of France and Russia in that period as well as the unique experiences and talents that led all three to their towering position in modern culture Often considered separately art music and literature come together in this study to offer a multifaceted view of a key era in the development of modernism in all the arts House of Abraham Stephen Berry,2009 Award winning historian Berry charts the devastating effects of the Civil War on Mary Todd Lincoln's family and the surprising impact this struggle had on the president

Restavec Jean-Robert Cadet,2009-09-15 This inspiring memoir recounts a man's harrowing journey from unpaid child labor in Haiti to a successful life in the United States African slaves in Haiti emancipated themselves from French rule in 1804 and created the first independent black republic in the Western Hemisphere But they reinstituted slavery for the most

vulnerable members of Haitian society the children of the poor by using them as unpaid servants to the wealthy These children were and still are restavecs a French term whose literal meaning of staying with disguises the unremitting labor abuse and denial of education that characterizes the children s lives In this memoir Jean Robert Cadet recounts the harrowing story of his youth as a restavec as well as his inspiring climb to middle class American life He vividly describes what it was like to be an unwanted illegitimate child staying with a well to do family whose physical and emotional abuse was sanctioned by Haitian society He also details his subsequent life in the United States where despite American racism he put himself through college and found success in the Army in business and finally in teaching

European Women in Chemistry Jan Apotheker, Livia Simon Sarkadi, 2011-04-27 I have no dress except the one I wear every day If you are going to be kind enough to give me one please let it be practical and dark so that I can put it on afterwards to go to the laboratory said Marie Curie about her wedding dress According to her lecture notes Gertrude B Elion is quoted a few decades later Don t be afraid of hard work Don t let others discourage you or tell you that you can t do it In my day I was told women didn t go into chemistry I saw no reason why we couldn t These two quotations from famous Nobel Prize winning chemists amply demonstrate the challenges that female scientists in the past centuries have had to overcome challenges that are still sometimes faced by the current generation They must have the noblest courage quite extraordinary talents and superior genius wrote Carl Friedrich Gauss 1807 in a letter to mathematician Sophie Germain For the official book to celebrate the International Year of Chemistry the European Association for Chemical and Molecular Sciences EuCheMS has chosen one of the central goals of the International Year the contribution and role of women in chemistry This celebration which is the focus of European Women in Chemistry takes us on a journey through centuries of chemical research focusing on the lives of those amazing women from ancient times to the current day who dared to study this subject often against advice or societal expectations These portraits emphasize the extraordinary path and personality of these fascinating women their major contribution to chemistry but all in the context of their time and social environment Some of these women like Marie Curie and Dorothy Crowfoot Hodgkin are famous and still well known today Others have contributed significantly to the development of science and lived an exceptional life but are nowadays almost forgotten This book is a tribute to all of them and a motivation for new generations to come to tread new paths fight for unusual ideas and control one s own destiny

Bookshelf Whispers Bhagyashree Ranade, 2021-08-30 The novel is a period love story involving Emilie a foreign exchange student visiting the Prabhu Wada where she falls in love with Akinsa a resident of the Wada and a passionate aspiring Kabbadi player The cultural differences create conflict and strife which Emilie tries to overcome by her grit and determination Will they make it or will it end in heartbreak The book very effectively portrays the impact of prevalent socio cultural traditional and patriarchal influences on the lives of the inhabitants of the Wada and their interpersonal relationships The turbulence the agony and ecstasy of relationships has been depicted very subtly and poignantly The complexities of

relationships and human nature with all its vagaries and idiosyncrasies have remained unchanged down the ages and that is what makes this narrative very contemporary simultaneously adding the element of nostalgia of a bygone era
