We are delighted that you have chosen an EXAKTA and we wish you every success with your new camera.

We would like to advise you, however, to read this instruction manual carefully before you start using your camera.
in this way you will obtain the greatest possible service from it.

since you will eliminate from the outset the possibility of operating it incorrectly, and possibly damaging the
mechanism. The EXAKTA is a high-quality precision instrument which can naturally only be expected to answer all
your requirements when it is always handled correctly...
