

# Eagle Scout Recommendation Letter

To Whom It May Concern,

It is a source of great pride and joy to compose this Eagle Scout letter of recommendation my dear friend Mark Sheridan. I have known Mr. Sheridan for the past seven years, as he is a good friend of my nephew in school and we live in the same neighborhood.

Mr. Sheridan is a reputable, reliable and trustworthy person, as evidenced by the manner in which he lives his life. He carries out his daily activities diligently and with such honesty and takes pride in his work. He is known as a man of his word; a person of integrity. Mr. Sheridan is not one to turn his back on a neighbor in need.

I believe that he is an eligible candidate for an Eagle Scout since he lives his life in accordance with the principles set by the Eagle Scout.

Rest assured that the contents of this letter was kept strictly confidential and created for the eyes only of the members of the Eagle Scout Board of Review. Neither are the contents of the letter discussed with the candidate before or after the time that of completion.

Sincerely,

Mr. George Florsheim

Gill,2019-08-21 This book addresses the challenge of providing for the free exercise of religion without allowing religious exercise by some individuals and groups to impinge upon the conscientious convictions of others State neutrality toward religion is impossible because neutrality means inattention to religion for some but leveling the playing field through accommodations or exemptions for others Both formal and substantive neutrality have a place in addressing particular conflicts One such example is public funding for religiously affiliated social service programs for which neither type of

neutrality is satisfactory and thus some restrictions are justifiable conversely private voluntary organizations that do not receive direct public funding should be allowed wide latitude regarding their practices This title also examines the expansive free exercise claims that are now made by those who argue that following the law impinges upon their beliefs as exemplified by the ministerial exception and the Hobby Lobby and Masterpiece Cakeshop Supreme Court cases It concludes by analyzing the relationship between neutrality and marriage as a civil status which impacts a variety of commitment types and plural marriage
