Gather Together in My Name Tracy Price-Thompson, 2008-05-20 From the nationally bestselling and Hurston Wright award winning author Tracy Price Thompson comes a heartbreaking story of loyalty and love that goes beyond the ultimate sacrifice Coming of age in the heart of crime ridden Brooklyn Shyne Blackwood is one in a set of triplets born into poverty and great tragedy While his brothers are raised to seek a life of promise Shyne's path veers early on A street seasoned hustler he becomes known as a liar a thief and ultimately a killer Personifying many of the negative stereotypes attributed to black men Shyne is accused and convicted of the brutal murder of a child and an entire city demands vengeance as he's sent to death row in a cold New York state prison On the eve of Shyne's execution five people travel to Quincy Correctional Facility to witness the event As the clock counts down to midnight and while everyone has long since abandoned Shyne to his fate a secret at the heart of this unthinkable crime remains to be discovered It is a secret that will test the bonds of family the strength of one man's character and the redemptive power of a love worth dying for [Gather Together in My Name](#) Maya Angelou, 2009-04-21 In this second volume of her poignant autobiographical series Maya Angelou powerfully captures the struggles and triumphs of her passionate life with dignity wisdom humor and humanity A curiously heartening story in which decency honor truth love do exist imperfectly fractionally and flickeringly not in some Platonic realm of the ideal but in the flawed lives of real men and women The Washington Post **Gather Together in My Name** continues Maya Angelou's personal story begun so unforgettably in *I Know Why the Caged Bird Sings* The time is the end of World War II and there is a sense of optimism everywhere Maya Angelou still in her teens has given birth to a son But the next few years are difficult ones as she tries to find a place in the world for herself and her child She goes from job to job and from man to man She tries to return home back to Stamps Arkansas but discovers that she is no longer part of that world Then Maya's life takes a dramatic turn and she faces new challenges and temptations **The Parker Society for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church** Parker Society (Great Britain), 1844 [Maya Angelou](#) Mary Jane Lupton, 2016-01-18 This book presents the extraordinary life and writings of Maya Angelou It examines the changing viewpoints in her six autobiographies within the context of women's and African American autobiographies with specific reference to the slave narrative and to contemporary fiction and film Maya Angelou *The Iconic Self* examines this iconic artist's work as an autobiographer offering an up to date assessment of Angelou's contributions to American literature and to American and international culture This is the only book to interpret Angelou's autobiographies as unique experiments in the history of black narrative It attests to Angelou's creativity in transforming the typical single volume autobiography into a six volume personal and cultural adventure that tells the truth but reads like fiction The narratives cover the years from the Great Depression 1941 to the days following the assassinations of Malcolm X 1965 and Martin Luther King 1968 emphasizing Angelou's roles as mother daughter granddaughter wife and friend This revised edition also presents information about Maya

Angelou's funeral and her continuing legacy since her death in 2014. The depth and scope of the book's observations regarding Angelou's autobiographies will be of great interest to readers seeking an analysis of the interconnections among Angelou's writings as well as serve students taking courses in women's studies or black culture studies.

The Conclusion of the New Testament Witness Lee, 1985 *The Conclusion of the New Testament (5)* Witness Lee, In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life and the church. No other study or exposition of the New Testament conveys the life, nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

We Gather Together

Neil J. Young, 2016 *Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years

The Ante-Nicene Fathers Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume V of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Hippolytus who during his time was considered an antipope because of his conflicts with the Church Cyprian a bishop of Carthage who greatly supported the establishment of the Church Caius who supposedly wrote the Muratorian Canon the oldest list of the books in the New Testament Novatian an antipope who founded a sect of Christianity that endured a few hundred years after his death
