

Ozymandias by Percy Bysshe Shelley

Overview of the Poem and Context:

Written in 1817 after Shelley saw Egyptian statues retrieved from the desert in the British Museum. Shelley was a Romantic poet, writing about the power of nature and the depth of human emotion. The narrator meets a traveller who tells him about a statue standing in the middle of the desert in Egypt. The statue is of a king and the inscription brags about how powerful he was when alive. The statue has now tumbled down and is half buried in the sand.

Key Language Features:

The language is often powerful and angry, showing the aggression of the king/pharaoh: 'voice of cold command'. Irony is used to show how the king's bold words mean nothing in the face of nature - the inscription is juxtaposed against the 'decay of the colossal wreck' and the barrenness of the desert.

Key Quotations:

'a shattered visage', 'voice of cold command', 'colossal wreck, boundless and bare'

Themes:

Power of nature/
humans, Pride.

Potential Links:

The power of nature can also be found in 'The Prelude', 'Exposure' and 'Storm on the Island'. Pride is also expressed in Browning's 'My Last Duchess'.

Key Structural Features:

The poem is a sonnet in structure. It has a turning point (volta) at line 9. The enormity of the desert rounds off the poem, showcasing the power of nature.
