Hacker Series Box Set Books 1-5 Meredith Wild, 2019-04-05 Devour all five books in the addictive 1 New York Times bestselling series that's sold over a million copies worldwide perfect for those who love Fifty Shades Heroes and Heartbreakers Hardwired Erica Hathaway has had to work hard her whole life first when she lost her parents and then to prove herself in the male dominated tech world The only thing she didn't prepare for was billionaire and rumored hacker Blake Landon He's sexy intimidating and determined to win her over But when Blake uncovers a dark secret from Erica's past even he may not be able to protect her Hardpressed Erica has broken down the walls that kept her from opening her heart and her business to Blake and she's determined not to let anything come between them But when demons from her past threaten their future Erica makes a decision that could change their lives forever Hardline Erica has given Blake her trust and her love and he has no intention of letting her out of his life again But when he tests the boundaries of her commitment she is forced to face the dark desires he's kept hidden As their bonds grow stronger their enemies are closing in With Erica's company in danger Blake must protect her from those who would ruin her only to get to him Hard Limit When life has torn them apart Blake and Erica have always found their way back to each other deeper in love and stronger than ever But on the verge of making the ultimate commitment Erica uncovers an unsettling chapter of Blake's history As danger lurks and dark secrets come to light will the past destroy their promise of forever Hard Love Just when Blake and Erica think their troubles are safely behind them Blake finds himself at the center of a massive scandal haunted by the transgressions of his hacker past But when he defies the authorities and refuses to seek the truth will he let his past win Or can Erica convince him that their life together is worth fighting for now more than ever *Hardwired* Meredith Wild, 2013-09-02 Determined to overcome a difficult past Erica Hathaway finds herself falling for one of her startup's investors billionaire and hacker Blake Landon a man who is used to getting what he wants [The New Hacker's Dictionary, third edition](#) Eric S. Raymond, 1996-10-11 This new edition of the hacker's own phenomenally successful lexicon includes more than 100 new entries and updates or revises 200 more This new edition of the hacker's own phenomenally successful lexicon includes more than 100 new entries and updates or revises 200 more Historically and etymologically richer than its predecessor it supplies additional background on existing entries and clarifies the murky origins of several important jargon terms overturning a few long standing folk etymologies while still retaining its high giggle value Sample definition hacker n originally someone who makes furniture with an axe 1 A person who enjoys exploring the details of programmable systems and how to stretch their capabilities as opposed to most users who prefer to learn only the minimum necessary 2 One who programs enthusiastically even obsessively or who enjoys programming rather than just theorizing about programming 3 A person capable of appreciating hack value 4 A person who is good at programming quickly 5 An expert at a particular program or one who frequently does work using it or on it as in a UNIX hacker Definitions 1 through 5 are correlated and people who fit them

congregate 6 An expert or enthusiast of any kind One might be an astronomy hacker for example 7 One who enjoys the intellectual challenge of creatively overcoming or circumventing limitations 8 deprecated A malicious meddler who tries to discover sensitive information by poking around Hence password hacker network hacker The correct term is cracker The term hacker also tends to connote membership in the global community defined by the net see network the and Internet address It also implies that the person described is seen to subscribe to some version of the hacker ethic see hacker ethic the It is better to be described as a hacker by others than to describe oneself that way Hackers consider themselves something of an elite a meritocracy based on ability though one to which new members are gladly welcome There is thus a certain ego satisfaction to be had in identifying yourself as a hacker but if you claim to be one and are not you ll quickly be labeled bogus See also wannabee

Hard Love Meredith Wild, 2015-09-15 From 1 New York Times bestselling author Meredith Wild comes the highly anticipated final book in the Hacker series Days after their wedding Blake and Erica Landon embark on their honeymoon a journey that deepens their bond and promises to fade the scars of their past Just when their troubles seem safely behind them scandal surrounding would be Governor Daniel Fitzgerald s election threatens their newfound peace Back home Blake finds himself at the center of the controversy haunted by the transgressions of his hacker past that he has no wish to relive With Blake s freedom at stake and their future in peril Erica will stop at nothing to clear his name But when Blake defies the authorities and refuses to seek the truth their world gradually begins to crumble Will he let his past win Or can Erica convince him that their life together is worth fighting for now more than ever The Hacker series **HARDWIRED** **HARDPRESSED** **HARDLINE** **HARD LIMIT** **HARD LOVE**

Blood of Zeus Meredith Wild, Angel Payne, 2020-08-25 An ancient grudge A forbidden love The only thing worse than being a demon is being a Valari As an undergraduate at Los Angeles s Alameda University Kara Valari can sometimes succeed at forgetting she s both Lost between the pages of the classics and tucked into the shadows of lecture halls she can dodge the paparazzi s lenses as well as her family s publicized dramas not to mention their private expectations She has one more year to feed her true passions Then she ll be expected to fulfill a much darker destiny Cursed with inexplicable strength and godlike stature literature professor Maximus Kane knows all about darkness Every day he s reminded of the missteps of his childhood and the devastating consequences they ve had on those dearest to him To atone Maximus spends his nights alone and his days submerged in the quiet life of academia His existence has become a study in control and he s become a master at it until Kara Valari walks into his toughest course Viscerally Kara s everything he craves Logically she s everything he rejects She s a starlet of privilege She s also a student And after one touch he can t deny that she s awakened something in him that may never go dormant Nothing about her makes sense but everything about her feels right Especially in the deepest strands of his DNA which are still shadows of mystery to him a mystery Kara seems determined to uncover She s Hollywood royalty She s forbidden fruit And he s pretty sure she could be the answer to everything

Bridge of Souls Meredith Wild, Angel Payne, 2022-12-13 They survived the dark But can they

trust the light Kara Valari and Maximus Kane have been to hell and back fighting for their love and their lives But the path back to normal isn't as easy as they hoped A dormant secret in Kara's blood has been awakened and she needs the help of a goddess to learn its full potential but also its hidden dangers Shielded from the world in the magical enclave of Iremia the lovers reunite with all the fires of their first passion But as they bond tighter to each other Kara learns that the underworld has targeted her family in terrifying ways and the safe world around them starts to splinter Unenamored by Iremia's promises of enlightenment Maximus unravels more of the mysteries and the powers that are lurking behind the scenes But to find his and Kara's true allies he is forced to seek out his enemies and rewrite his thinking on good and evil Caught in a web of gods demons and magic Maximus and Kara must build stronger bridges to each other and as a wave of deeper truths heads their way have faith that the ramparts of their love will hold
