Joaquin Jackson,David Marion Wilkinson,2011-08-29 A retired Texas Ranger recalls a career that took him from shootouts in South Texas to film sets in Hollywood When his picture appeared on the cover of Texas Monthly Joaquin Jackson became the icon of the modern Texas Rangers Nick Nolte modeled his character in the movie Extreme Prejudice on him Jackson even had a speaking part of his own in The Good Old Boys with Tommy Lee Jones But the role that Jackson has always played the best is that of the man who wears the silver badge cut from a Mexican cinco peso coin a working Texas Ranger Legend says that one Ranger is all it takes to put down lawlessness and restore the peace one riot one Ranger In this adventure filled memoir Joaquin Jackson recalls what it was like to be the Ranger who responded when riots threatened violence erupted and criminals needed to be brought to justice across a wide swath of the Texas Mexico border from 1966 to 1993 Jackson has dramatic stories to tell Defying all stereotypes he was the one Ranger who ensured a fair election and an overwhelming win for La Raza Unida party candidates in Zavala County in 1972 He followed legendary Ranger Captain Alfred Y Allee Sr into a shootout at the Carrizo Springs jail that ended a prison

revolt and left him with nightmares He captured The See More Kid an elusive horse thief and burglar who left clean dishes and swept floors in the houses he robbed He investigated the 1988 shootings in Big Bend s Colorado Canyon and tried to understand the motives of the Mexican teenagers who terrorized three river rafters and killed one He even helped train Afghan mujahedin warriors to fight the Soviet Union Jackson s tenure in the Texas Rangers began when older Rangers still believed that law need not get in the way of maintaining order and concluded as younger Rangers were turning to computer technology to help solve crimes Though he insists I am only one Ranger There was only one story that belonged to me his story is part of the larger story of the Texas Rangers becoming a modern law enforcement agency that serves all the people of the state It s a story that s as interesting as any of the legends And yet Jackson s story confirms the legends too With just over a hundred Texas Rangers to cover a state with 267 399 square miles any one may become the one Ranger who like Joaquin Jackson in Zavala County in 1972 stops one riot A powerful moving read One Ranger is as fascinating as the memoirs of nineteenth century Rangers James Gillett and George Durham and the histories by Frederick Wilkins and Walter Prescott Webb and equally as important True West A straight shooting book that blow s a few holes in the Ranger myth while providing more ammunition for the myth s continuation Reads more like a novel than an autobiography Austin American Statesman *The Times Index* ,2011 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **EBOOK: Operations Management** Steve Paton,Ben Clegg,Hsuan Juliana,Alan Pilkington,2011-01-16 Operations Management is all around us and is integral to every industry Using contemporary and engaging examples this brand new text book brings to life fundamental Operations Management principles and theories that are applicable to both manufacturing and service situations reflecting the very latest developments in this dynamic field **Tales from the Oregon Ducks Sideline** Brian Libby,Ahmad Rashad,2011-09 Tales from the Oregon Ducks Sideline takes the reader on a fun filled trip through Oregon s gridiron history Author Brian Libby brings Duck fans out to the 50 yard line and into the locker room as he tells colorful tales about the Oregon football program from its start in 1894 to today culminating in the hard fought BCS Championship game against Auburn in January 2011 Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home **The Shimmer** David Morrell,2011-09-16 Since

1889 mysterious lights have appeared outside Rostov a remote Texas town Ranchers believed them to be the campfires of rustlers but campfires don't rise and fall merge and change colors In World War I the locals believed that the lights came from German forces massing on the Mexican border In the Second World War the US military built an airfield there and used planes to try to discover the secret of the lights In 1980 the entire town set out on a Ghost Light Hunt For more than a century each attempt to get close to the lights met with horrifying results Now police officer Dan Page follows the trail of his missing wife from New Mexico to Texas and discovers that she and hundreds of spectators have become enraptured by the lights After a crazed gunman fires obsessively into the crowd the stage is set for more death To save his wife Page must confront the mystery of the lights His desperate search reveals a government conspiracy that dates back to World War II The abandoned airfield is more than what it seems So is a nearby observatory with a purpose even more mysterious and lethal than the lights themselves Drawing his inspiration from the real life Marfa lights critically acclaimed Morrell packs *The Shimmer* with his trademark blend of action and terror

*Beyond Expectations* Frank Forsberg, 2011-10 Like a flower or maybe a tenacious weed Frank Forsberg managed to thrive in the arid soil of the Great Depression Not that it was easy Surely traveling in a boxcar with hobos couldn't have given sixteen year old Forsberg reason to expect much of the future But not only would he retire a Navy captain he'd find love friendship and adventure along the way After a slight detour through the school system Forsberg found his way to the Navy where he received an unexpected lifelong education His Navy career spanned three wars and saw America go through profound changes from the unanimous support of World War II to the divisiveness of the Korean War and the Vietnam War As a pilot Forsberg faced challenges that would test his skills and resolve which ultimately strengthened his character He also accepted what may be the even more harrowing mission of starting a family something no amount of training could have prepared him for The kid that set out across the country with just over a dollar couldn't have known it at the time but he was embarking on the American dream *Beyond Expectations* is an exciting chronicle of that adventure a saga of facing seemingly impossible situations and living to laugh about it It's been a wild ride so far And that's just the first 90 years
