Hillsong Bible Study Guide:

SCM Studyguide: Liturgy, 2nd Edition Stephen Burns, 2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area. It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. This 2nd edition of the popular Studyguide is fully revised, updated, and expanded. The book takes account of new developments in scholarship, engages with new contexts for liturgical celebration, notably fresh expressions, as part of a mixed economy of church. It encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context. [Chase Bible Study Guide](#) Jennie Allen, 2012-11-05 What are you chasing? Through deep Bible study and practical exercises with Jennie Allen, discover that God has carved out a space in each of us that only he can fill. Are you doing everything right but still feel empty? Are you so busy doing things for God and everyone else that you altogether miss him? Do you ever in your busy life stop and see him really see him? Jennie Allen once felt paralyzed in her relationship with God. It occurred to her that maybe she was chasing the wrong things. Maybe God was after something else. When she stumbled across the phrase in 1 Samuel 13, "David was a man after God's own heart," she was intrigued. She knew David was both completely broken and completely sold out for God. David's life shatters our ideas of what God wants from us. In *Chase*, Jennie shows us a man who spent his life chasing after God, which points to several things we shouldn't be chasing: Don't chase self-worth by achieving more. Don't chase freedom by protecting yourself. Don't chase approval by being moral. Don't chase satisfaction by rebelling. Don't chase fulfillment. Chase God. Whether you're running from God or working your tail off to please him, David's journey will challenge your view of God. He is the only thing we can chase that won't leave us feeling more empty. The *Chase Study Guide* uses project stories and Bible study in the life of David to engage the mind and heart. Designed for use with the *Chase Video Study* 9780529104342, sold separately. **The God of All Comfort Bible Study Guide** Dee Brestin, 2009-12-21 After losing her husband to cancer, bestselling author and Bible teacher Brestin shares her own grief experience and spiritual recovery in this 10-lesson Bible study. She demonstrates how these handpicked psalms, hymns, and spiritual songs can calm a grieving heart. [The Storm Inside Bible Study Guide](#) Sheila Walsh, 2014-02-11 Do you realize that you are a daughter of the King? You need to live hope and dream as if this were true because it is. You don't need to be paralyzed with fear, frozen by the chaos you feel inside. Instead, you must choose to stand on the truth of who God says you are. In *The Storm Inside*, an 8-session video-based small group Bible study DVD/digital video, sold separately, popular teacher and author Sheila Walsh unpacks the stories of women from the Bible who faced seemingly insurmountable problems: regret, shame, insecurity, and heartbreak. And just like the women from the Bible, you can overcome the lies the enemy uses to torment you. You too can rely on the truth of God's word so you can stand during the strongest storms of your life. This study guide will lead you and your group deeper into the video.

Inside Evangelicalism Mark Ward Sr., 2024-12-15 In Inside Evangelicalism Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism s one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of ordered social relations enacted through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward s positionality as both an ethnographer of religious

communication who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him uniquely qualified to cast an insider s critical yet balanced eye on conservative white Christian culture Inside Evangelicalism complements existing scholarship within anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication

Greene,2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one s own cherished stories

Brian,2021-02-25 The church as we know it in North America is dying Statistics make this overwhelmingly clear And yet despite this observation the church remains a resurrection people How might these seemingly contradictory observations hold true Taking a cue from Romans 5 Rustin Brian suggests that resurrection necessarily implies

death The church is called to follow Christ This is a call to come and die The Christian affirmation is that death is not truly the end though but rather the beginning of new and unending life in him And so the first statement must be tempered by stating that the church is going through death on the way to resurrection This book is truly one of two halves then The first half examines the present death of the church The second half examines the possibility of resurrection for the church Throughout key factors for decline are considered such as poor and destructive evangelistic practices civil religion moral therapeutic deism and consumerism In the end Brian suggests that the church embrace its peculiarity the things that make us dare it be said a religion As we embrace our strange beliefs therefore and discontinue our obsession with growth and relevance we just might discover the possibility for renewed and resurrected faith amidst the death that we are experiencing
