Boone,2016-07-06 Chey can t believe this is her life Everything she fought so hard for in her relationship seemed to come to a crashing halt once the revelations of Qyree s family were out in the open From his mother dropping the news that she was HIV positive to Jaxon removing Qy from the family business all Chey wanted to do was be there for her man But the secret that she was now hiding could very well cause even more damage and possibly be the end of her happily ever after Just when he thought God was giving him a chance to become a better man Qyree is hit with news that rocks his world to the core and causing him to let go of the one thing that was keeping him sane Chey Qyree knew that the way he had reacted towards the only person who had his heart in their hands wasn t right but he didn t know of any other way to deal with it except the way his father had taught him Protect himself and just let everyone else figure it out on their own It wasn t right but what could he do It isn t until his mother falls ill and even more secrets are out that cause him to really take a look at the man that he saw in the mirror Would these new twists cause him to finally stand up and be a man or had Jaxon tainted him for life Von is finally in a place of happiness She has her son back her own place and the demons from her past have been dealt with so what else could a woman want Love That aching in her heart to have someone to spend the rest of her life with and love her unconditionally wasn t possible in her condition So instead of sitting around and sulking she decided that she would do what she could to mend the relationship between Qyree and Chey She just hoped that once Qy found out about her secret it

brought them closer instead of further apart Channing Tank Reeves is the epitome of a ladies man Recently discharged from the military he s back home to help his cousin start the business they had both dreamed of since they were little boys Working so closely with Qy it was only a matter of time before he would run into the pretty young thing Von As soon as he set eyes on her he knew that she was the one and because of her honesty he was drawn to her even more But what will happen once his secrets are out in the open Would she still look at him the same The Bible says that life and death are in the power of the tongue but the same thing can be said about the heaven between a woman s thighs A woman can give life from her scared place but if you re not careful it can also be the death of you The Edge of Honor P.
