Operas in English: A Dictionary Margaret Ross Griffel,2012-12-21 In this revised and expanded edition of *Operas in English A Dictionary* Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos Since the book s initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4 400 covering the world of opera in English from 1634 through 2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer s name librettist s name with original language of the libretto the source of the text date place and cast of the first performance date of composition if it occurred substantially earlier than the premiere similar information for the first U S including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non English ones other operas if any involving the same story or characters cross references are indicated by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings *Operas in English* features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures **Athenaeum** ,1860

Werner's Magazine Edgar S. Werner,1884 Lewis Carroll Among His Books Charlie Lovett,2015-01-09 Charles Lutwidge Dodgson known better by his pseudonym Lewis Carroll was a 19th century English logician mathematician photographer and novelist He is especially remembered for his children s tale *Alice s Adventures in Wonderland* and its sequel *Through the Looking Glass* By the time of Dodgson s death in 1898 *Alice* the integration of the two volumes had become the most popular children s book in England By the time of his centenary in 1932 it was perhaps the most famous in the world This book presents a complete catalogue of Dodgson s personal library with attention to every book the author is

known to have owned or read Alphabetized entries fully describe each book its edition its contents its importance and any particular relevance it might have had to Dodgson The library not only provides a plethora of fodder for further study on Dodgson but also reflects the Victorian world of the second half of the 19th century a time of unprecedented investigation experimentation invention and imagination Dodgson s volumes represent a vast array of academic interests from Victorian England and beyond including homeopathic medicine spiritualism astrology evolution women s rights children s literature linguistics theology eugenics and many others The catalogue is designed for scholars seeking insight into the mind of Charles Dodgson through his books *Athenaeum and Literary Chronicle* ,1859 **Wuthering Heights** Emily Brontë,2023-11-27

This captivating Emily Brontë s masterpiece transports readers to the desolate moors of Yorkshire where a tempestuous love story unfolds amid a backdrop of untamed nature and dark family secrets At the heart of the story is the enigmatic Heathcliff a brooding and mysterious figure whose origins are shrouded in mystery When he is taken in by the Earnshaw family at Wuthering Heights his life becomes forever intertwined with theirs His deep and passionate love for Catherine Earnshaw ignites a fiery and all consuming romance that defies social norms and expectations It is an unforgettable tale of love and revenge that transcends time and generations **Routledge Library Editions: Special Educational Needs**

Various,2021-07-29 This set of 62 volumes originally published between 1951 and 1999 amalgamates a wide breadth of literature on Special Educational Needs with a particular focus on inclusivity class management and curriculum theory This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of Education and those undertaking teaching qualifications

The Athenaeum ,1913 **The American Booksellers Guide** ,1869 **The Academy and Literature** ,1903 *We Two* Gillian Gill,2009-11-30 NEW YORK TIMES BESTSELLER A delectable double bio Talk about Victoria s secret A fascinating portrait of a genuine love match but one in which the partners dealt with surprisingly modern issues USA Today It was the most influential marriage of the nineteenth century and one of history s most enduring love stories Traditional biographies tell us that Queen Victoria inherited the throne as a naïve teenager when the British Empire was at the height of its power and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master Now renowned chronicler Gillian Gill turns this familiar story on its head revealing a strong feisty queen and a brilliant fragile prince working together to build a family based on support trust and fidelity qualities neither had seen much of as children The love affair that emerges is far more captivating complex and relevant than that depicted in any previous account The epic relationship began poorly The cousins first met as teenagers for a few brief awkward chaperoned weeks in 1836 At seventeen charming rather than beautiful Victoria already showed signs of wanting her own way Albert the boy who had been groomed for her since birth was chubby self absorbed and showed no interest in girls let alone this princess So when they met again in 1839 as queen and presumed prince consort to be neither

had particularly high hopes But the queen was delighted to discover a grown man refined accomplished and whiskered Albert is beautiful Victoria wrote and she proposed just three days later As Gill reveals Victoria and Albert entered their marriage longing for intimate companionship yet each was determined to be the ruler This dynamic would continue through the years each spouse headstrong and impassioned eager to lead the marriage on his or her own terms For two decades Victoria and Albert engaged in a very public contest for dominance Against all odds the marriage succeeded but it was always a work in progress And in the end it was Albert s early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad pure and perfect As Gill shows the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated Wonderfully nuanced surprising often acerbic and informed by revealing excerpts from the pair s journals and letters We Two is a revolutionary portrait of a queen and her prince a fascinating modern perspective on a couple who have become a legend
