History Memo Paper 1 September 2013:

Connecting Women's Histories Barbara Bush, June Purvis, 2018-10-19 Reflecting upon the diverse aspects of the entangled histories of women across the world mainly but not exclusively during the twentieth century this book explores the range of ways in which women's history international history transnational history and imperial and global histories are interwoven Contributors cover a diverse range of topics including the work of British women's activist networks in defence of and opposition to empire the Society for the Overseas Settlement of British Women suffrage networks in Britain and South Africa white Zimbabwean women and belonging in the diaspora migrant female workers as traditional agents in Tasmania Indian coolie women's lives in British Malaya Irish female medical missionary work emigration to North America from Irish women's convict prisons the Women's Party of Great Britain 1917 1919 the national and international in the making of the Finnish feminist Alexandra Gripenberg and the relationship between the World Congress of Mothers and the Japan Mothers Congress This book was originally published as a special issue of the Women's History Review Flight Risk Forrest L. Marion, 2018-10-15 From the 1920s Afghanistan maintained a small air arm that depended heavily upon outside assistance Starting in 2005 the United States led an air advisory campaign to rebuild the Afghan Air Force AAF In 2007 a formal joint combined entity led by a U S Air Force brigadier general began air advisor work with Afghan airmen Between 2007 and 2011 these efforts made modest progress in terms of infrastructures personnel and aircraft accessions and various training courses But by 2010 advisors increasingly viewed AAF command and control C2 as a problem area that required significant improvement if a professional air force was to be built In the spring of 2011 major institutional changes to AAF C2 procedures were being introduced when nine U S air advisors were killed The attack was the worst single incident loss of U S Air Force personnel in a deployed location since 1996 and the worst insider attack since 2001 From the day of that tragic event the cultural chasm between Afghanistan and the West became more apparent This dilemma continues with no end in sight to an air advisory mission of uncertain long term value **Deutsche Bank: The Global Hausbank, 1870 - 2020** Werner Plumpe, Alexander Nützenadel, Catherine Schenk, 2020-03-05 A comprehensive history of one of the major players in the world of international finance Over the course of its 150 year history Deutsche Bank has established itself as a major player in the world of international finance but has also been confronted by numerous challenges that have changed the face of Europe from two world wars to the rise and subsequent fall of communism In this major work on the bank's history Werner Plumpe Alexander Nützenadel and Catherine R Schenk deliver a vibrant account of the measures the bank undertook in order to address the profound upheavals of the period as well as the diverse and unusual demands it had to face These included the First World War which brought the world's first period of globalization to a sudden and dramatic end but also the development of the predominantly national framework within which the bank had to operate from 1914 until the fall of the Berlin Wall in 1989 More recently the focus has shifted back to European and global activities with Deutsche Bank forging

new paths into the Anglo American capital markets business so opening another extraordinary chapter for the bank

The history of youth work in Europe - volume 6 Howard Williamson, Tanya Basarab, Filip Coussée, 2018-08-01 A better understanding of youth work's historical links with social work can help us to shape its relationship with social work in the future This sixth publication in the History of Youth Work in Europe project based on the workshop held in Malta Connections Disconnections and Reconnections The Social Dimension of Youth Work in History and Today looks at the relationship between youth work and social work and the role youth work can play in the social inclusion of young people Contributors have reflected on concepts tools and support measures for more vulnerable and often socially excluded young people and have sought to promote a common understanding of youth work as a social practice The workshop that led to this book sought to understand where youth work has positioned itself from its origins through its development to its contemporary identity Is youth work as much a social practice as a non formal educational one Where does the balance between these two dimensions lie What are the mutually enriching dimensions of these two fields in terms of their impact on young people's lives While most agree that youth work needs to be further defined as a practice or profession in itself and that the process of shaping its identity continues in different ways in different countries it is clear that when it comes to a cross sectoral perspective and youth work's interaction with social work the picture becomes significantly more complex arguably much richer and certainly more dynamic than might have hitherto been foreseen

Empire in Asia: A New Global History Brian P. Farrell, Donna Brunero, 2018-09-20 Asia was the principle focus of empire builders from Alexander and Akbar to Chinggis Khan and Qianlong and yet until now there has been no attempt to provide a comprehensive history of empire in the region Empire in Asia addresses the need for a thorough survey of the topic This volume covers the long 19th century commonly seen in terms of high imperialism and the global projection of Western power This volume explores the dynamic volatile and often contested processes by which by the early years of the 20th century Asian states space and peoples became deeply integrated into the wider dynamics of global reordering Drawing on case studies from across Asia the contributors discuss key themes including ideology concepts of identity religion and politics state building and state formation the relationships between space people and sovereignty the movements of goods money people and ideas and the influence and impact of conflict and military power The two volumes of Empire in Asia offer a significant contribution to the theory and practice of empire when considered globally and comparatively and are essential reading for all students and scholars of global imperial and Asian history

A Call to Mission - A History of the Jesuits in China 1842-1954 David Strong, 2018-02-12 China has bulked large in the imagination of the Catholic Church for 500 years It had been central to the missionary dream of the Jesuits for almost as long However only with this book's appearance has the detailed focus of attention shifted to the substantial and neglected period of catholic and Jesuit engagement with china the almost 120 years from the second arrival of the Jesuits Matteo Ricci the polymath Ferdinand Verbeist and Adam Schall von Bell the

astronomers and the exquisite painter who influenced Chinese painting beyond measure Giuseppe Castiglione have been written about made us of and been the heart and soul of the first stage of Jesuit impact on China in the 17th and 18th Centuries They brought Western learning and art to China and took Chinese language and literature to Europe The Jesuits were the first multinational to be welcomed in China and they came with a specific method of engagement to make friends build relationships and share their gifts before anything else was transacted including conversations about Christianity It remains an unsurpassed method of engagement with a rich and ancient people But the second arrival from the 1840s was very different It was made possible by the arrival of European governments and traders many of whom came not just for financial gain but to spread their superior religion This work by David Strong in two volumes is the first major treatment of the period from the arrival of the European and eventually American Jesuit missionaries under the protection of the so called Unequal Treaties through to their expulsion after the Communist victory in the long running civil war in 1949 Volume 1 The French Romance traces the people projects expansion and impact of those who provided the predominant Jesuit presence At the height of its engagement with China the French Government has 19 Consulates and attendant military and navy throughout China The French Jesuits were afforded access and protection by their government and activated missions in northern and central China schools seminaries universities parishes retreat houses publications and attracted Chinese nationals to join their number

A History of Brooklyn Bridge Park Nancy Webster, David Shirley, 2016-10-11 By the 1970s the Brooklyn piers had become a wasteland on the New York City waterfront Today they have been transformed into a stunning park that is enjoyed by countless Brooklynites and visitors from across New York City and around the world A History of Brooklyn Bridge Park recounts the grassroots multivoiced and contentious effort beginning in the 1980s to transform Brooklyn's defunct piers into a beautiful urban oasis The movement to resist commercial development on the piers reveals how concerned citizens came together to shape the future of their community After winning a number of battles park advocates stakeholders and government officials collaborated to create a thoroughly unique city park that takes advantage of the water and the Manhattan skyline combining an innovative design with vibrant cultural

programming From start to finish this history emphasizes the contributions collaborations and spirited disagreements that made the planning and construction of Brooklyn Bridge Park a model of natural urban development and public private partnership The book includes interviews with Brooklyn residents politicians activists urban planners landscape architects and other key participants in the fight for the park The story of Brooklyn Bridge Park also speaks to larger issues confronting all cities including the development of postindustrial spaces and the ways to balance public and private interests without sacrificing creative vision or sustainable goals *The History of Oxford University Press: Volume IV* Keith

Robbins,2017-05-26 The story of Oxford University Press spans five centuries of printing and publishing Beginning with the first presses set up in Oxford in the fifteenth century and the later establishment of a university printing house it leads through the publication of bibles scholarly works and the Oxford English Dictionary to a twentieth century expansion that created the largest university press in the world playing a part in research education and language learning in more than 50 countries With access to extensive archives the four volume History of OUP traces the impact of long term changes in printing technology and the business of publishing It also considers the effects of wider trends in education reading and scholarship in international trade and the spreading influence of the English language and in cultural and social history both in Oxford and through its presence around the world In the decades after 1970 Oxford University Press met new challenges but also a period of unprecedented growth In this concluding volume Keith Robbins and 21 expert contributors assess OUP's changing structure its academic mission and its business operations through years of economic turbulence and continuous technological change The Press repositioned itself after 1970 it brought its London Business to Oxford closed its Printing House and rapidly developed new publishing for English language teaching in regions far beyond its traditional markets Yet in an increasingly competitive worldwide industry OUP remained the department of a major British university sharing its commitment to excellence in scholarship and education The resulting opportunities and sometimes tensions are traced here through detailed consideration of OUP's business decisions the vast range of its publications and the dynamic role of its overseas offices Concluding in 2004 with new forms of digital publishing The History of OUP sheds new light on the cultural educational and business life of the English speaking world in the late twentieth century **Museums and Social Activism**

Kylie Message,2013-11-07 Museums and Social Activism is the first study to bring together historical accounts of the African American and later American Indian civil rights related social and reform movements that took place on the Smithsonian Mall through the 1960s and 1970s in Washington DC with the significant but unknown story about museological transformation and curatorial activism that occurred in the Division of Political and Reform History at the National Museum of American History at this time Based on interdisciplinary field based research that has brought together cross cultural and international perspectives from the fields of Museum Studies Public History Political Science and Social Movement Studies with empirical investigation the book explores and analyses museums specifically curators relationships with political stakeholders past and

present By understanding the transformations of an earlier period Museums and Social Activism offers provocative perspectives on the cultural and political significance of contemporary museums It highlights the relevance of past practice and events for museums today and improved ways of understanding the challenges and opportunities that result from the ongoing process of renewal that museums continue to exemplify Chicago's Block Clubs Amanda I. Seligman,2016-10-04 What do you do if your alley is strewn with garbage after the sanitation truck comes through Or if you're tired of the rowdy teenagers next door keeping you up all night Is there a vacant lot on your block accumulating weeds needles and litter For a century Chicagoans have joined block clubs to address problems like these that make daily life in the city a nuisance When neighbors work together in block clubs playgrounds get built local crime is monitored streets are cleaned up and every summer is marked by the festivities of day long block parties In Chicago's Block Clubs Amanda I Seligman uncovers the history of the block club in Chicago from its origins in the Urban League in the early 1900s through to the Chicago Police Department's twenty first century community policing program Recognizing that many neighborhood problems are too big for one resident to handle but too small for the city to keep up with city residents have for more than a century created clubs to establish and maintain their neighborhood's particular social dynamics quality of life and appearance Omnipresent yet evanescent block clubs are sometimes the major outlets for community organizing in the city especially in neighborhoods otherwise lacking in political strength and clout Drawing on the stories of hundreds of these groups from across the city Seligman vividly illustrates what neighbors can and cannot accomplish when they work together **History of the Unified Command Plan** Edward J. Drea,2013 **Tibet** Lezlee Brown Halper,Stefan Halper,2014-04-01 Tibet's enduring myth animated by the tales of Himalayan adventurers British military expeditions and the novel Lost Horizon remains an inspirational fantasy a modern morality play about the failure of brutality to subdue the human spirit Tibet also exercises immense soft power as one of the lenses through which the world views China This book traces the origins and manifestations of the Tibetan myth as propagated by Younghusband Madam Blavatsky Himmler Acheson and Roosevelt The authors discuss how after WW2 Tibet isolated misunderstood and with a tiny elite unschooled in political military realities misread the diplomacy between its two giant neighbours India and China forlornly hoping London or Washington might intervene China's People's Liberation Army sought nothing less than to deconstruct traditional Tibet unseat the Dalai Lama and absorb this vast region into the People's Republic and Lhasa succumbed to China's invasion in 1950 Drawing on declassified CIA and Chinese documents the authors reveal Mao's collusion with Stalin to subdue Tibet double dealing by Nehru the brilliant diplomacy of Chou en Lai and how Washington saw sawed between the China lobby who insisted there be no backing for an independent Tibet and Presidents Truman and later Eisenhower who initiated a covert CIA programme to support the Dalai Lama and resist Chinese occupation It is an ignoble saga with few if any heroes other than ordinary Tibetans **No Regrets in the Evening of Life** Neville Buch,2018-03-14 The type of local and school history before the

reader may be unfamiliar It is a definitive and scholarly history in the style of many grammar school histories in Queensland Although it is not unknown for Australian public and private schooling it is unique for Queensland state schools By saying it is a definitive and scholarly history what is meant is not that the history is complete only that it reaches decisive conclusions in a substantive treatment In this particular case the historian is someone who has been trained at the level of a higher degree

Evaluating American Democracy and Public Policymaking William D. Schreckhise, 2018-03-02 Lurking in the back of the minds of many students of American government is the question How well does the American political system work This book examines this in a way that is broad in approach and accessible to readers Such an ambitious examination of the effectiveness of the American policymaking system leads to one inescapable question how can you measure effectiveness The answer taken in this book is to employ a number of different criteria These criteria include the public s attitudes towards the institutions of government the degree in which all participate equally in political activities the level of which public policy is responsive to public opinion the ability of the actors in the process to create effective public policy the extent the political system imposes costs and benefits on us equally regardless of our economic condition race gender or age In doing so this book ties together and expands upon numerous scholarly studies conducted on American public policymaking and uses David Truman s Systems Model as a conceptual guide Because of the large amount of data presented the book will also serve as a reference source for others conducting research on American public policy

The History of Youth Work in Europe Griet Verschelden, 2009 Youth work takes place in a wide range of settings varies from unstructured activities to fairly structured programs reaches a diverse array of young people touches upon many different themes and cuts across several other disciplines and practices This versatility is one of its strengths but at the same time it may lead to fragmentation and product vagueness This book takes a historical perspective that aims to identify the close links between youth work developments and broader social cultural and political developments What are the beliefs and concepts that underpin youth work How do they relate to the recurrent youth work paradox that youth work produces active and democratic citizens but at the same time seems ineffective for young people who are excluded from active citizenship The different authors highlight the youth work policies in Belgium Flanders Germany England Poland Malta France and Finland Publisher s description

How the West Stole Democracy from the Arabs Elizabeth F. Thompson, 2022-03-30 This expertly researched account brings to life a meaningful but underexplored chapter in world history Publishers Weekly When Europe s Great War engulfed the Ottoman Empire Arab nationalists rose in revolt against the Turks The British supported the Arabs fight for an independent state and sent an intelligence officer T E Lawrence to join Prince Faisal leader of the Arab army and a

descendant of the Prophet In October 1918 Faisal Lawrence and the Arabs victoriously entered Damascus where they declared a constitutional government in an independent Greater Syria At the Paris Peace Conference Faisal won the support of Woodrow Wilson who sent an American commission to Syria to survey the political aspirations of its people However other Entente leaders at Paris and later San Remo schemed against the Arab democracy which they saw as a threat to their colonial rule On March 8 1920 the Syrian Arab Congress declared independence and crowned Faisal king of a representative monarchy Rashid Rida a leading Islamic thinker of the day led the constituent assembly to establish equality for all citizens including non Muslims under a full bill of rights But France and Britain refused to recognize the Damascus government instead imposing a system of mandates on the Arab provinces of the defeated Ottoman Empire on the pretext that Arabs weren't yet ready for self government Under such a mandate the French invaded Syria in April crushing the Arab government and sending Faisal and Congress leaders into exile The fragile coalition of secular modernizers and Islamic reformers that might have established democracy in the Arab world was destroyed with profound consequences that reverberate still Using many previously untapped primary sources including contemporary newspaper accounts and letters minutes from the Syrian Arab Congress and diary and journal entries from participants *How The West Stole Democracy From The Arabs* is a groundbreaking account of this extraordinary brief moment of unity and hope and of its destruction Important and fascinating Amaney A Jamal Edwards S Sanford Professor of Politics Princeton University [Ethnic Relations in Post-Soviet Russia](#) Andrew Foxall, 2014-10-03 While the collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post Soviet transition including demographic change economic upheaval geopolitical instability and political re structuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post Soviet space

Automobility and the City in Twentieth-Century Britain and Japan Simon Gunn, Susan C. Townsend, 2019-08-22 Automobility and the City in Twentieth Century Britain and Japan is the first book to consider how mass motorization reshaped cities in Japan and Britain during the 20th century Taking two leading motor cities Nagoya and Birmingham as their principal subjects Simon Gunn and Susan C Townsend show how cars changed the spatial form and individual experience of the modern city and reveal the similarities and differences between Japan and Britain in adapting to the motor age The book has three main themes the place of automobility in post war urban reconstruction the emerging conflict between the promise of mobility and personal freedom offered by the car and its consequences for the urban environment the M E dilemma and the extent to which the Anglo Japanese comparison can throw light on fundamental differences in cultural understanding of the environment urbanism and the self The result is the first comparative history of mass automobility and its environmental consequences between East and West
