[Weekly Compilation of Presidential Documents](#), 1978 *Remarriage in Early Christianity* A. Andrew Das, 2024-06-27 What did early Christians believe about remarriage after divorce The New Testament sends mixed messages about divorce Jesus forbids it in

Mark's and Luke's Gospels but he seems to make an exception for victims of infidelity in Matthew's Gospel Paul permits divorce in 1 Corinthians when an unbeliever initiates it Yet other Pauline passages imply that remarriage after divorce constitutes adultery A Andrew Das confronts this dissonance in *Remarriage in Early Christianity* Challenging scholarly consensus Das argues that early Christians did not approve of remarriage after divorce His argument covering contemporary Jewish and Greco Roman contexts the Gospels Paul's letters and ante Nicene interpretation reveals greater consistency in early Christianity than is often assumed Das pays special attention to the Greek words used in contemporary bills of divorce and in the New Testament offering much needed clarity on hotly contested concepts like *porneia* At once sensitive and objective Das finds an exegetically sound answer to the question of remarriage among early Christians This bold study will challenge scholars and enlighten any Christian concerned with what Scripture has to say on this perennially relevant topic

**Jimmy Carter** United States. President (1977-1981 : Carter), 1979      **Geopolitics of Global Catholicism** Petr Kratochvíl, 2024-05-29 *Geopolitics of Global Catholicism* uncovers the key trends in today's Catholicism providing an incisive analysis of its deep entanglement with national regional as well as global politics This book offers an exciting exploration of five versions of local Catholicism's and sheds light on the various theo political constellations that not only differ widely across these national contexts but also have global geopolitical consequences It is built around a novel theoretical argument showing that Catholic geopolitics contains not only a spatial dimension as classic geopolitical studies would have it but also a temporal one As a consequence the Catholic role in the world cannot be simply understood as a result of the spatial expansion of the Church but rather as a result of the complex relationships between Catholicism and colonization inculturation backwardness and modernization's To counter the lingering Eurocentrism of most studies of the Catholic Church this book's case studies explore Catholic geopolitics in five non European contexts focusing mainly on the Global South plus the United States Latin America Brazil North America the United States Asia India and China and Africa the Democratic Republic of the Congo These case studies also show that the successes and failures of Catholicism cannot be explained by a recourse to a single top down interpretation of Catholic geopolitics but rather by exploring the various Catholic spatio temporal constellations on the global regional and local levels With the accelerating diversification of the Church and the growing role of the Global South these local and regional influences gain further importance as they are likely to increasingly define the future of Catholicism This book will be of utmost interest to scholars of International Relations Religious Studies Political Science and Theology as well as Geopolitics especially to those studying the global rise of religion Its accessible language will also appeal to the wider public beyond academia especially those interested in global Christianity as well as church leaders and members of Catholic organizations      **Producing Children** Peter C. Kunze, Victoria Ford Smith, 2025-04-15 *Producing Children* imagines the possibility indeed the inevitability of a creative

relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves

**Gandhi Before India** Ramachandra Guha, 2014-04-15 Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life the work and the historical context of one of the most abidingly influential and controversial men in modern history Ramachandra Guha hailed by Time as Indian democracy s preeminent chronicler takes us from Gandhi s birth in 1869 through his upbringing in Gujarat his two years as a student in London and his two decades as a lawyer and community organizer in South Africa Guha has uncovered myriad previously untapped documents including private papers of Gandhi s contemporaries and co workers contemporary newspapers and court documents the writings of Gandhi s children and secret files kept by British Empire functionaries Using this wealth of material in an exuberant brilliantly nuanced and detailed narrative Guha describes the social political and personal worlds inside of which Gandhi began the journey that would earn him the honorific Mahatma Great Soul And more clearly than ever before he elucidates how Gandhi s work in South Africa far from being a mere prelude to his accomplishments in India was profoundly influential in his evolution as a family man political thinker social reformer and ultimately beloved leader In 1893 when Gandhi set sail for South Africa he was a twenty three year old lawyer who had failed to establish himself in India In this remarkable biography the author makes clear the fundamental ways in which Gandhi s ideas were shaped before his return to India in 1915 It was during his years in England and South Africa Guha shows us that Gandhi came to understand the nature of imperialism and racism and in South Africa that he forged the philosophy and techniques that would undermine and eventually overthrow the British Raj Gandhi Before India gives us equally vivid portraits of the man and the world he lived in a world of sharp contrasts among the coastal culture of his birthplace High Victorian London and colonial South Africa It explores in abundant detail Gandhi s experiments with dissident cults such as the Tolstoyans his friendships with radical Jews heterodox Christians and devout Muslims his enmities and rivalries and his often overlooked failures as a husband and father It tells the dramatic profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross class and inter religious coalition pledged to non violence in their battle

against a brutally racist regime Researched with unequaled depth and breadth and written with extraordinary grace and clarity Gandhi Before India is on every level fully commensurate with its subject It will radically alter our understanding and appreciation of twentieth century India s greatest man      **The Learning Society** Elisabeth Dunne,2014-05-12 This text provides perspectives in British and international interpretations of a learning society and what the roles of core skills are The book covers what should be happening in theory and what is happening in practice and develops a critical awareness of the issues      **Steve McQueen** Geoffrey Lokke,2025-08-21 Steve McQueen Interviews is the first collection of conversations with the acclaimed filmmaker and one that spans his career to date Included are McQueen s discussions with such artists critics curators and public intellectuals as Donna De Salvo Paul Gilroy David Olusoga Tricky and Cornel West In these conversations McQueen b 1969 discusses some of his preoccupations and recurring themes throughout his oeuvre including nationalism martyrdom and violence obsession and desire and the intertwined histories of racism surveillance and carceral politics Most interestingly he also talks about his love for his fellow artists past and present including Miles Davis Jean Luc Godard Prince Yvonne Rainer Paul Robeson Jean Vigo and Andy Warhol McQueen is one of the most celebrated British filmmakers of his generation an artist as committed to avant garde film and lyric forms of documentary as he is to producing landmark historical dramas A deeply humane artist with a clear ethical drive McQueen nevertheless explores the sublime sense of scale that cinema affords its viewers in his films While he remains best known for his feature film 12 Years a Slave winner of three Academy Awards including Best Picture McQueen has been a fixture of major contemporary museum and gallery exhibitions for decades beginning with the short experimental works that garnered him the prestigious Turner Prize in 1999 His acclaimed installations include the diptychs Caribs Leap Western Deep and Gravesend Unexploded works that interrogate film form as they challenge documentary norms not unlike his recent four and a half hour epic Occupied City that investigates the Nazi occupation of Amsterdam      *Responding to Modern Genocide* Mark D. Kielsgard,2015-07-30 Developments in the understanding and treatment of genocide through the twentieth century have involved a combination of politics public opinion social trends and economic development and led to the substantive law of genocide and the assumption of international jurisdiction This book analyzes incidences of genocide and mass atrocities focusing on the political factors involved in modern counter genocide efforts Drawing on incidences of genocide and mass atrocity such as the Holocaust the Rwandan genocide and the Armenian genocide Mark Kielsgard adopts a conceptual model that reveals the political factors which impact the international law of genocide such as barriers and catalysts to transitional justice and the politics of genocide denial As a work which provides a focused picture of those influences and their significance to genocide studies this book will be of great use and interest to students and researchers in international criminal law conflict studies and conflict resolution      Apostles of Development David C. Engerman,2025-05-30 The battle against global poverty that began after World War II was a major undertaking engaging economists engineers and organizations Featuring front and

centre were six remarkable economists Amartya Sen Manmohan Singh Mahbub ul Haq Jagdish Bhagwati Rehman Sobhan and Lal Jayawardena all born as colonial subjects in the British Empire and studied at Cambridge University They represented a new figure on the world scene the Third World development expert and played a crucial role in global debates about poverty and development Apostles of Development examines their different economic doctrines and the ongoing debate surrounding economic theory in poor countries compared to rich ones The lives of these apostles reveal how development did not begin with textbooks but with real world attempts to solve very specific and pressing problems Finally the book emphasizes that development was a Global South project first and foremost aiming to improve the conditions of the world's poorest countries It challenges the conventional wisdom that sees development only as a tool of rich countries to dominate or as proof of their humanitarian spirit It argues that development succeeds not when it follows ideological prescriptions but when it looks for what works The fading of grand visions shaped by ideological concerns has been one of the lasting effects of the end of the Cold War The book argues that the best way forward is determined modestly focusing on practical matters such as addressing gross inequality and insisting that development means more than just economic growth Given the salience of questions of economic inequality and the constant visibility of the promises and problems of economic development in the world today this is a timely and important read *The Handbook of Media and Culture in the Middle East* Joe F.

Khalil, Gholam Khiabany, Tourya Ghaaybess, Bilge Yesil, 2023-06-08 *The Handbook of Media and Culture in the Middle East* The Handbook of Media and Culture in the Middle East is an invaluable resource for anyone seeking to understand the profound and complex changes shaping the 21st century With trans regional contributions from established and emerging scholars this ground breaking volume offers conceptual essays and in depth chapters that present rich analyses grounded in historical and geopolitical contexts as well as key theory and empirical research Rather than viewing the Middle East as a monolithic culture this Handbook examines the diverse and multi local characteristics of the region's knowledge production dynamic media and rich cultures It addresses a wide range of topics including the evolving mainstream and alternative media competing histories in the region and pressing socio economic and media debates Additionally the Handbook explores the impact of regional and international politics on Middle Eastern cultures and media Designed to serve as a foundation for the next era of research in the field *The Handbook of Media and Culture in the Middle East* is essential reading for all academics scholars and media practitioners Its comprehensive scope makes it an excellent primary or supplementary textbook for undergraduate or graduate courses in global studies media and communication journalism anthropology sociology economics political science and history *Good Pastors, Bad Pastors* Dela Quampah, 2014-08-20 The emergence of Pentecostalism in Ghana has attracted a massive following and generated institutions that have significantly impacted Christian discourse and national life The movement has produced prominent leaders who have developed exemplary Christian education programs and generated volumes of Christian literature unprecedented in Ghanaian Christianity Nevertheless public opinion often

upbraids church leaders for unethical conduct Despite the concern for high moral standards set by Pentecostal church polity and ministerial ethical codes reports of Pentecostal ministerial misconduct appear regularly in the media Although congregation members and perceptive public observers appreciate the constructive moral impact of Pentecostal ministers instances of promiscuity power abuse financial misappropriation and superstition reveal a gap between ethical ideals and practice As this research reveals factors behind unethical ministerial conduct include inadequate training poor accountability and a general low level of ethical reflection Good Pastors Bad Pastors suggests that a multidimensional approach of responsible reportage emphatic moral education appropriate but sympathetic response to moral failure and peer review accountability could help uphold a higher standard of ministerial ethics

**Birkbeck** Joanna Bourke, 2022-08-11 Birkbeck traces the 200 year history of Birkbeck University of London from its founding at a time when social elites deplored the notion of educated working people to the present day Joanna Bourke writes a lively history of the institution and how it contributed to the shaping of modern British higher education Two hundred years ago Birkbeck was founded as the London Mechanics Institution LMI When it was established in 1823 one third of all men and half of all women were unable to read or write British elites were vehemently hostile to educating working people The country was in political turmoil and it was feared that education would destroy society This was the context in which the LMI was established From its foundation it was unique Birkbeck traces its history from 1823 to the present with Joanna Bourke using the history of Birkbeck to reflect on life and culture in London over the past two centuries What does it mean to be educated Why have Birkbeck s students been prepared to give up so much in order to study for a higher degree How does education help us become fully human and self fulfilled by learning how to use all our faculties knowledge imagination sympathy The story of Birkbeck contains some blood oceans of scholarly sweat and not a few tears But it is also a story of laughter intellectual excitement scholarly eccentricity collective as well as personal ambition and most of all the quirky passions and personalities that make up the Birkbeck community It is a story of a unique university but also of higher education of Britain It shows how knowledge can empower people to better themselves and improve the world
