History of Modern Art H. Harvard Arnason, Daniel Wheeler, 1986 Comprehensive and insightful History of Modern Art Painting Sculpture Architecture Photography is the definitive source of information on the art of the modern era This Fourth Edition is a freshly retold story of the art and artists of the last 150 years from modernism's mid nineteenth century European beginnings to today's divergent art trends In the decade that has passed since the publication of the previous edition art historians have come to recognize that works of art whether sublimely beautiful or provocatively repelling are artistic responses made by individuals to life in the real world In her thoughtful reworking of H H Arnason's classic text Marla Prather poses critical questions Why did Cubist painters and sculptors refract their subject matter in the way they did Why did Abstract Expressionism take hold in America Why did Postmodern architects reject the clean lines of the International Style What does it mean that artworks of the late 1990s defy categorization and provides insightful and thought provoking answers Almost 500 of the nearly 1 500 illustrations are new to this edition a reflection of Prather's thorough rethinking and updating of the content The final section of the book presents thirty seven artists representative of today's

decentralized art scene who are working in mediums ranging from conventional painting and photography to video and performance art With its fully revised bibliography *History of Modern Art* Fourth Edition is an essential volume for anyone with a curiosity about modern art and culture Book jacket

Revolutions in Twentieth-Century Art** David W. Galenson,2009-09-14 From Picasso s Cubism and Duchamp s readymades to Warhol s silkscreens and Smithson s earthworks the art of the twentieth century broke completely with earlier artistic traditions A basic change in the market for advanced art produced a heightened demand for innovation and young conceptual innovators from Picasso and Duchamp to Rauschenberg and Warhol to Cindy Sherman and Damien Hirst responded not only by creating dozens of new forms of art but also by behaving in ways that would have been incomprehensible to their predecessors Conceptual Revolutions in Twentieth Century Art presents the first systematic analysis of the reasons for this discontinuity David W Galenson whose earlier research has changed our understanding of creativity combines social scientific methods with qualitative analysis to produce a fundamentally new interpretation of modern art that will give readers a far deeper appreciation of the art of the past century and of today than is available elsewhere ~*A History of Modern Art* ,1969 *A History of Modern Art* Hjørvardur H.
