

A photograph of the main entrance gate to the University of Fort Hare. The gate is a wide, paved road leading through a concrete structure. The structure consists of two large, light-colored concrete pillars on either side, each with a grid of small square openings. A horizontal concrete beam spans across the top of these pillars, bearing the university's name. In the center of the gate, there is a small, square guardhouse or security booth. The road is flanked by lush green trees and a clear blue sky with some light clouds. A curved street lamp is visible on the left side of the road.
