

Survey of the machine

Unpacking

Place the machine on the table and remove the plastic wrapping. Remove the top cover which can later be used to protect the machine. Store the accessories box with the foot control to the left from the machine.

Place the machine down before you start sewing and the top cover should be removed with the plastic wrap and the bottom of the machine. The machine is equipped with a number of accessories that are not shown in this picture book. Depending on the type of the accessories, please refer to page 15 under "Accessories box".

The machine has light to change the equipment of the machine without your notice.

Putting the machine away

Put the machine on the table and the cover of the machine. Store the accessories box back starting at the foot control and push them into the control compartment.

Make sure that all accessories and the foot control are correctly placed in the box.

The bottom of the foot control should be turned around the machine. Store the accessories box and press. Lower the presser foot.

To remove the presser foot, turn the handle by moving the handle. The machine can easily be transported.
