**Blitzstrum: The Nazis and the next Reich** Robert Reaney,2016-07-21 Twenty five years after the Second World War ends SS Colonel Kurt Hauser suddenly finds himself in the eye of a storm of world interest as a secret he accidentally learned in the bunker starts to surface A secret so powerful it threatens to tip the world back into war again He faces the Police Nazi hunters the Mafia the Army the CIA assassins and even remnants of the Nazi party in a race against time on a break neck journey across the world to face a ruthlessly cold enemy who will stop at nothing to achieve his ends Loosely based on fact and real events there are mysterious agents hidden Nazi treasures real life villains and shocking truths that make you view the world today in a new light Win lose or draw Colonel Hauser can t hope to contain the secret any longer Operation Light Storm has started      **How America Lost Its Secrets** Edward Jay Epstein,2017-01-17 A groundbreaking expos that

convincingly challenges the popular image of Edward Snowden as hacker turned avenging angel while revealing how vulnerable our national security systems have become as exciting as any political thriller and far more important After details of American government surveillance were published in 2013 Edward Snowden formerly a subcontracted IT analyst for the NSA became the center of an international controversy Was he a hero traitor whistle blower spy Was his theft legitimized by the nature of the information he exposed When is it necessary for governmental transparency to give way to subterfuge Edward Jay Epstein brings a lifetime of journalistic and investigative acumen to bear on these and other questions delving into both how our secrets were taken and the man who took them He makes clear that by outsourcing parts of our security apparatus the government has made classified information far more vulnerable how Snowden sought employment precisely where he could most easily gain access to the most sensitive classified material and how though he claims to have acted to serve his country Snowden is treated as a prized intelligence asset in Moscow his new home Engelsch Leesboek,1877
