On showering, I dried Prabhat Tiwari,2020-06-27 This book is a compilation of various works of mine during a journey that still makes my hair protrude every time I dive into the memories It is about the feelings a person experiences when he falls in love it is also about a man s journey when he is in love with someone he thinks is going to stay forever with him And finally this book gives a taste of the heartbroken feelings of either person when the other leaves Be it death or whatever the reason the pain is equivalent to both of them You are going to experience the joys and pleasures of falling for someone There are things in life that are meant for us and we take a lot of time to realize that and when our realization struck in it is too late There will be days when you ll wish all of it might have never happened and also there will be days when you ll believe none of it can be any better So I d just say hold on hold onto the person you love because life is difficult it is painful it is going to crush you in a million ways possible What matters is that the person you love and care about is by your side This book also has a third part the collapse of a relationship but what I would say is do whatever you can but never let your relationship collapse Silence is the enemy of love fight because there might be a chance you d get back together but silence only increases the distance between you two **The Phantom Lover** Ruby Mildred Ayres,1921 *Harper's Bazaar* ,1929
