an eclectic range of intelligence ability and behaviour There were however a small number of teachers who were eccentric enough not only to embrace the challenge but to find it both enjoyable and rewarding This is one of the few books of its kind that examines how The Troubles in Northern Ireland affected teachers and pupils during that period While delivering a serious message this story is enveloped in humour as Robert relays his early bewilderment to the genuine enjoyment of his job with a sincere affection and respect for his pupils This is not just another book about The Troubles there is certainly pathos and tragedy but the reader's tears are as likely to be as much from laughter as grief The reader is offered a unique insight into teaching in one of the most bitter and vicious times in recent history It Wasn't Me All Right will intrigue and amuse anyone who attended or taught in schools in Northern Ireland during that period Aside from this it will also have a much wider appeal to anyone who sees humour as an integral part in the sharper end of education **The Terrible Woman**

Month on My Life After Now *If It Wasn't for GOD, I Would Have No Sanity* LaWanda Gray Kinds, 2023-06-08 About the Book *If It Wasn't for GOD I Would Have No Sanity* is a Christian based autobiography chronicling the emotional struggles of the author growing up feeling neglected by her family and having no one close to turn to. Despite being at her lowest despite contemplating suicide several times it was God entering her life that allowed the author to raise her kids through her difficult life. She believes God gives His battles to the strong and the author is a firm believer in what doesn't kill you makes you stronger. God was there for her when she couldn't be for herself or her children. Her story is not just inspirational but marked by God to be revealed. There are others out there who experienced similar difficult paths in life but never had a voice. The author prays this book opens doors for them because it's knowledge and a lot of people are still on that path of life as a victim. Kinds says I want people to see that through it all God was there and He's there for them as well. About the Author LaWanda Gray Kinds is the mother of four beautiful girls and one handsome boy. While many women her age may have certain perspectives on life hers is quite remarkable. Kinds feels there's a lot of thoughts to life and some can be suicidal. As for her she's come too close to that very thought in life but God. God helped her to realize suicide was not the answer. In fact it was the worst answer to believe in because in the end it would have been hell for her when she lifted her eyes. God also told her to look to Him so with that she often questioned the life she was given. Believing at times that God wasn't there that He had left her to fight her battles alone but then He spoke to her at a very young age. He came into her life and He never left her even when she felt he should have. Kinds says I came very close to losing my mind a few times in life but God. It is because of Him I have my sanity so the true experiences I'm about to share may be a little disturbing or uneasy to some readers but just imagine you may be reading it but I actually lived it. Glory be to God I'm here.
