generally disparaged because they appear both unrepresentative and indecisive Gerhard Loewenberg explains this puzzling contradiction by examining what representation means and what it takes for a large number of equally representative members to reach decisions It also describes the methods for studying legislatures that have been developed in the social sciences in the last half century and shows their importance in democratic societies throughout the world On Legislatures gets to the heart of the current disconnect between legislatures and the public they are supposed to represent British Medical Journal ,1913 Passport to World Band Radio Lawrence Magne,2004-10-19 World band radio is a trusted source of daily entertainment and crisis reporting for millions of Americans Passport the 1 seller in the field provides exactly what world band listeners want Entering its 21st year it outsells all competitors combined **Federal Personal Data Systems Subject to the Privacy Act of 1974** United States.
