How can she make him stop thinking of her as a freakn sister Francine's loved Mitchell a wolf like herself since she first set eyes on him back when they were just kids However Mitchell's never seen her as more than another annoying sister Determined to make him realize she's all grown up she enlists the aide of Alejandro a gorgeous cat shifter She never counted on wanting them both Alejandro knows Francine is special from the first moment he meets the fiery plump wolf which is why he suggests she use him to make Mitchell jealous A great plan especially if it means he gets to kiss those luscious lips One taste though and he's addicted but how does he make her see past the man she loves to realize she's also meant to be his mate For a long time now Mitchell's been avoiding Francine his bratty sister's friend However the little girl he remembers is all grown up and when he sees her in the arms of another a need to claim her overrides all his common sense But he's waited

too long and fate has decided that he's going to have to share. Can he bend enough to accept Francine with her other man or will his freaky jealousy send him running? Warning: Excessive amounts of heat may be generated when reading this story. Do not sit or stand near flammable objects unless they happen to be your partner. Please note that while the heroes sustained injuries during the course of the story, Francine did eventually kiss them all better, naked of course. This is a ménage à trois romance with heavy emphasis on the romance. It does contain multi-partner sexual situations that some people may find titillating. Reader discretion is advised.
