Deciphering Race Laura Callanan, 2006 Deciphering Race engages with the complex and contested world of Victorian racial discourse In the five central texts under consideration in this study Harriet Martineau s *The Hour and the Man* Robert Knox s *The Races of Men* Charles Dickens and Wilkie Collins s *The Perils of Certain English Prisoners* the transcript of the inquiry into the Governor Eyre Controversy and James Grant s *First Love and Last Love* a white English author or character turns to the aesthetic in order to assuage a sense of anxiety produced by a confrontation with racial otherness White characters or narrators confront the limitations of preconceived ideologies or the interlacing of oppressions and subsequently falter In this manner these narratives confront the complexity indeterminacy and irrationality of both racial difference and the systems put in place to understand that difference Deciphering Race unpacks this narrative turn to the aesthetic in writings by white English individuals and thus reveals the instability at the heart of cultural understanding of race and racial tropes at mid century This series of readings will help to see how figurative structures while providing a bridge between different cultures and epistemologies also reinforce a distance that keeps groups separate Only by disentangling these structures by addressing and unpacking our assumptions and narratives about those different from ourselves and by understanding our deep cultural anxiety and investment in these ways of talking about one another can we begin to create the conditions for productive local understanding between different cultures races and communities

God Loves You Thomas Franckowiak, 2012-04 Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift Often He has blessed you with many more His gift of love to you however is the most precious of them all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God s Word must be your road map *God Loves You* Notes of His Love unearths truths about your Heavenly Father s love from Paul s description of godly love in his first letter to the Corinthians In his letter he reveals its seven qualities You will find in *God Loves You* Notes of His Love that each chapter is dedicated to studying a quality of love As you study each chapter you become a student of God s love You investigate for yourself how to live an entire life of continual growth in ever abounding love for your Heavenly Father God your dear ones and all humanity After you devote your entire life to successfully studying and living godly love you will appear before your Heavenly Father God When He sees your soul beaming the seven qualities of godly love He will tell you Well done good and faithful servant You have been faithful with a few things I will put you in charge of many things Come and share your Master s happiness
