extreme language when it is actually the answer 4 Get the Big Picture This LSAT prep book aims to present you with the big picture how arguments work in day to day life In our experience as LSAT instructors we have noticed a trend students who make an effort to apply the logical principles on the LSAT to arguments in their daily lives tend to improve much more quickly than students who only study the LSAT on paper If you are open to changing the way you argue or to analyzing your own argumentative patterns odds are that you will come to a deeper more fundamental understanding of what the LSAT is testing This will help you not only on this test but as a law student and attorney
