Danteworlds Guy P. Raffa,2008-09-15 One of the greatest works of world literature Dante Alighieri s The Divine Comedy has despite its enormous popularity and importance often stymied readers with its multitudinous characters references and themes But until now students of the Inferno have lacked a suitable resource to guide their reading Welcome to Danteworlds the first substantial guide to the Inferno in English Guy P Raffa takes readers on a geographic journey through Dante s underworld circle by circle from the Dark Wood down to the ninth circle of Hell in much the same way Dante and Virgil proceed in their infernal descent Each chapter or region of the book begins with a summary of the action followed by detailed entries significant verses and useful study questions The entries based on a close examination of the poet s biblical classical and medieval sources help locate the characters and creatures Dante encounters and assist in decoding the poem s vast array of references to religion philosophy history politics and other works of literature Written by an established Dante scholar and tested in the fire of extensive classroom experience Danteworlds will be heralded by readers at all levels of expertise from students and general readers to teachers and scholars

Riding Lucifer's Line Bob Alexander,2013 The Texas Mexico border is trouble Haphazardly splashing across the meandering Rio Grande into Mexico is or at least can be risky business hazardous to one s health and well being Kirby W Dendy the Chief of Texas Rangers corroborates the sobering reality As their predecessors for over one hundred forty years before them did today s Texas Rangers continue to battle violence and transnational criminals along the Texas Mexico border In *Riding Lucifer s Line* Bob Alexander in his characteristic storytelling style surveys the personal tragedies of twenty five Texas Rangers who made the ultimate sacrifice as they scouted and enforced laws throughout borderland counties adjacent to the Rio Grande The timeframe commences in 1874 with formation of the Frontier Battalion which is when the Texas Rangers were actually institutionalized as a law enforcing entity and concludes with the last known Texas Ranger death along the border in 1921 Alexander also discusses the transition of the Rangers in two introductory sections The Frontier Battalion Era 1874 1901 and The Ranger Force Era 1901 1935 wherein he follows Texas Rangers moving from an epochal narrative of the Old West to more modern technological times Written absent a preprogrammed agenda *Riding Lucifer s Line* is legitimate history Adhering to facts the author is not hesitant to challenge and shatter stale Texas Ranger mythology Likewise Alexander confronts head on many of those critical Texas Ranger histories relying on innuendo and gossip and anecdotal accounts at the expense of sustainable evidence writings often plagued with a deficiency of rational thinking and common sense *Riding Lucifer s Line* is illustrated with sixty remarkable old time photographs Relying heavily on archived Texas Ranger documents the lively text is authenticated with more than one thousand comprehensive endnotes

In Lucifer's mind there are legions of demons bound to his will His will is to unleash the hell humans have created with all their wrongs on earth so that everyone gets their due His rue shall be done come kingdom come His will is to right all wrongs including his own To return to heaven and to make heaven a place on earth After all he's not just the Lord of Hell he's also been given dominion over earth Heaven would have come down long before had not humans created such a hell on earth Human population now reaching exponential growth has in turn churned many more ready to be burned in hell With so many hell is now like an overflowing well of worms There's no more room Not even for the likes of Lucifer With no room to grow many are now lost to live in limbo Imagine a room a train car better yet a cave or cavernous vault with so many people stuffed inside there's no room to move Just squirming like worms like maggoty meat deep in hell's heat The stink and stench the scratching and scraping the screaming and scheming is sickening And this is just limbo hell is a hell of a lot worse with the gnashing and biting faces defaced clawed raw with the misery the maw The worms the germs the bacteria and diarrhoea with no sleep or place to keep The insanity the lost vanity the cruel rule of hell's fuel for all to feel will reel those responsible for their actions The popes priests and pastors in the past responsible for burning witches at stakes now in turn burn in an internal infernal and eternal hell The bloody battles inquisitions and spurious suspicions will now have jurisdiction forever over those responsible A perpetual nightmare is what's to come for those who have done wrong in the name of the Lord Those who have killed maimed in the name of the Lord for money or for possession now find themselves killed maimed in the same form or fashion or forever stressed with being obsessed with the emptiness of the need for greed Those who have suffered others now suffer the same fate There is no escape no way to wash away the wrong This is what awaits those with ill fates Lucifer has no choice but to incarnate to what abates There's no such thing as a clean slate Only fools think forgiveness leaves them free to go on another killing spree Those who think the Lord suffered for them sickens Lucifer Only the damnable would send someone else in their stead to suffer for them The Lord as Lucifer knows Him now would be the first one to damn any who would want Him to suffer such a fate for any The Lord did not pay the price willingly He sure as shit doesn't want to spend an eternity so that a rapist murderer or pedophile can get off scot free if they just believe in the Lord The Lord will not suffer anymore sins or for the sins of the world Lucifer is on the Lord's side He's seen what humans would have Him suffer It's beyond sickening To think popes priests and pastors who preach His suffering as something special

shows how sadistic the species has become bent on something heaven sent A religion based on belief is the bane to anything humane Who in the world would have created such a scheme but those who have blood on their hands Those who don't want to burn in hell Those well aware of what awaits The end to all things are set forth in this novel understanding of the New Testament The Book of Revelation will not pass according to scripture or rapture but by the laws of the universe The gradual decline of order along with the culmination of all human behavior will usher in the Apocalypse
