can remember Motorhead's Lemmy and legendary Cream drummer Ginger Baker were just two of the musicians sacrificed along the way as the band went head to head with the police, customs, the taxman and each other. With the memories of many of those who were there, this is the story of an extraordinary 35 year career in the music and the band whose fans still loyally turn out for conventions and are rewarded with private festivals set against a background of sex, drugs, madness, wrath and revenge.
