

<b>Type (N, I, or O):</b> N		<b>Genre:</b> Realistic Fiction
<b>Standard:</b> <b>W.1.3.3</b> Write narratives in which they recount two or more appropriately sequenced events. Include some details regarding what happened. Use temporal words to signal event order, and provide some sense of closure.		
<b>Unit:</b> 4	<b>Book:</b> TV	<b>Session:</b> 19
<b>Before this lesson:</b>		
<b>Mini-Lesson:(10 minutes)</b>	<b>Reference:</b> <i>Lac &amp; His (Unit 4 p. 118)</i> <i>P's - the last</i> <i>Writers Learn Progresses for the 1st grade</i> N-178, O- 182, 2-184	
<b>Connection</b>	When you get ready for a party you make a list of things to do. Writers make a list of things to do before they can celebrate, too!	
<b>Teaching Point</b>	Writers fix and fancy up their work.	
<b>Teaching Demonstration, guided practice, explanation with example, or inquiry</b>	TW display a list of things to help the students get ready to celebrate (p.155)	
<b>Active Engagement</b>	SW tell their partner their plan for the day.	
<b>Link</b>	Writers will make a plan and work hard to fix and fancy up their work using the list to remind them what needs to be done.	
<b>Independent Practice/Conferencing: (30 minutes)</b> <b>Differentiation:</b> All conferences are differentiated to meet the needs of the student(s) at the time. TW research, decide, teach, and link during conferences to review or extend (p.73, Guide to Common Core WWS)	SW work independently or with their partner while you conference with individual students or small groups.  Allow students to lead small groups in a conference.	
<b>Mid Workshop teaching point (2 minutes)</b> Support to keep writers working, check in referencing teaching point, give them something to try, point out something someone is doing to celebrate.	Celebrate amazing work that students are doing.	
<b>Sharing: (10 minutes)</b>	SW practice reading their work aloud to prepare for reading it in front of an audience.

## **Lucy Calkins First Grade Lesson Plans:**

Planning for Successful Reading and Writing Instruction in K-2 Antoinette Cerulli Fornshell, 2003-03 In this one of a kind resource a seasoned educator guides primary teachers through planning and managing a cohesive balanced literacy program She begins by asking them to consider district requirements national standards and our individual goals From there she demonstrates how to map out plans for each month week and day Chocked full of organizational tips sample plans and model lessons this book will make teachers feel empowered and in control For use with Grades K 2 *Getting to the Core of Writing: Essential Lessons for Every First Grade Student* Richard Gentry, Jan McNeel, 2012-06-01 Inspire students to develop as writers in the first grade classroom with these engaging and creative writing lessons This classroom tested resource shows positive results in students writing and simplifies the planning of writing instruction It contains detailed information on how to establish and manage daily Writer s Workshop and includes consistent structured instruction to encourage students to actively participate in the writing process Specific lessons to help students develop the traits of quality writing are also included **Living the Questions** Ruth Shagoury, Brenda Miller Power, 2012 Teacher research is an extension of good teaching observing students closely analyzing their needs and adjusting the curriculum to fit the needs of all In this completely updated second edition of their definitive work Ruth Shagoury and Brenda Miller Power present a framework for teacher research along with an extensive collection of narratives from teachers engaged in the process of designing and carrying out research projects to inform their instruction This edition includes a greater variety of short contributions from a wide range of teacher researchers novices and veterans from all backgrounds and parts of the country who speak to the growing diversity in today s classrooms Threaded throughout the chapters and narratives is a discussion of the emergence of digital tools and their effect on both teaching and the research process along with an expanded number of research designs The book has three primary components 1 Chapters written by the authors explaining key elements of the research process finding questions designing projects data collection and analysis and more 2 Research activities that enable readers to try out the featured strategies and techniques 3 Teacher researcher essays in which teachers share details of completed projects and discuss the impact they have had in their classrooms **Living the Questions Second Edition A Guide for Teacher Researchers** will take you step by step through the process of designing implementing and publishing your research Along the way it will introduce you to dozens of kindred spirits who are finding new passion for teaching by living the questions every day in their classrooms You will be reminded of why you became a teacher yourself Strategies and Tactics for Multidisciplinary Writing Elufiede, Kemi, Barker Stucky, Carissa, 2021-03-18 Across a wide range of fields of study and academic interests there is often a common denominator in the need for successful concise and well researched communications in the form of writing Whether it be accessing credible research pre writing practices or taking writing to the next level from good to excellent there is a constant need for teaching writing skills and methods effectively as well as

utilizing what has been learned within real life applications to create quality written content With composers of the written word ranging from students to researchers to business owners and more multidisciplinary writing encompasses a range of research devoted to enhancing writing skills and providing an understanding of the writing process across diverse fields of interest Strategies and Tactics for Multidisciplinary Writing provides writers in the professional and academic sphere resources for enhancing their writing skills through a clear understanding of the writing process The chapters focus on the multiple stages of writing including planning researching drafting revising and more While highlighting specific topics such as writing in virtual environments topic research writing for the internet and pre writing practices this book is ideally intended for writers in the professional and academic spheres as well as practitioners stakeholders researchers academicians and students interested in multidisciplinary writing

Teaching the Best Practice Way Harvey Daniels, Marilyn Bizar, 2005 Everyone talks about best practice teaching but what does it actually look like in the classroom How do working teachers translate complex curriculum standards into simple workable classroom structures that embody exemplary instruction and still let kids find joy in learning In Teaching the Best Practice Way Harvey Daniels and Marilyn Bizar present seven basic teaching structures that make classrooms more active experiential collaborative democratic and cognitive while simultaneously meeting best practice standards across subject areas and throughout the grades Each section begins with an essay outlining one key method providing its historical background and research results and then describing the structure s vital features Next several teachers representing different grade levels and school communities explain how they adopted the basic model adapted it to their students needs and made it their own Fully updating and expanding Methods that Matter Stenhouse 1998 Teaching the Best Practice Way adds the stories of twenty more celebrated teachers including James Beane Donna Ogle Franki Sibberson and others from around the country A brand new chapter focuses on reading as thinking detailing the ways teachers can nurture strategic readers readers who not only deeply understand the printed materials they encounter in school but who also bring these cognitive strategies to their reading of film art music and their experience of the world The book also shares new research studies that validate the principles and activities of best practice teaching along with lists of recommended materials that support each of the seven methods Unique in the field Teaching the Best Practice Way speaks to all teachers K 12 with stories examples and practical classroom materials for the teachers of all children This is the book for teachers schools and districts that believe the big ideas about teaching really do cross all grade levels and subject areas Education professors will also find this an ideal resource for use in methods courses

**Writing Power** Adrienne Gear, 2011 Help young writers learn to engage and invite their reader s thinking with five key thinking strategies connect question visualize infer and transform

New Teachers in Urban Schools: Journeys Toward Social Equity Teaching Althier M. Lazar, Leslie M. Reich, 2016-03-07 This volume informs the reader about new teachers in urban underserved schools and their development as teachers for social equity The accounts of five novice teachers who grew up outside the

communities in which they teach lead to chapters that contain advice for teacher educators future and current teachers and school leaders These early career teachers learned much about bridging the cultural divide between themselves and their students confronted and resolved big challenges that may immobilize some who set out to teach in these communities They brought to their classrooms strong social justice orientations including a moral imperative to make a difference in the world an awareness of social and educational inequalities and a strong sense of responsibility to positively influence the life trajectories of students in their charge Their narratives offer insights on the dispositions and contexts that will help early career teachers survive and thrive and make a difference in their students lives

**Getting to the Core of Writing: Essential Lessons for Every Second Grade Student** Richard Gentry, Jan McNeel, 2012-06-01 Inspire students to develop as writers in the second grade classroom with these engaging and creative writing lessons This classroom tested resource shows positive results in students writing and simplifies the planning of writing instruction It contains detailed information on how to establish and manage daily Writer s Workshop and includes consistent structured instruction to encourage students to actively participate in the writing process Specific lessons to help students develop the traits of quality writing are also included
